DON Purchase Card Program
Major Changes to the Purchase Card Program Desk Guides, Version 4.0

The changes incorporated into the Purchase Card Program Desk Guides, Version 4.0, are relative to Citibank's recent CitiDirect System Release 3.3 and to the major policy changes effective in the EBUSOPSOFFINST 4200.1A Purchase Card Instruction.

Some individuals may notice their previous desk guides are marked Version 2.0. This September 2003 release is labeled 4.0 because some individual training CDs distributed since 14 March 2003 contained Desk Guides marked as Version 3.0.

Due to significant changes in CitiDirect Version 3.3, the CitiDirect procedural information previously found in the Desk Guides has been removed. The CitiDirect website, www.cards.citidirect.com, now includes tutorials for DON Cardholders, AOs and APCs. The audio tutorials provide extensive directions for CitiDirect procedures.

Listed below are the Desk Guides impacted by EBUSOPSOFFINST 4200.1A and the affected page numbers for each.

DON Purchase Card Program Program Orientation Desk Guide

2. Overview

A. Purpose

The Department of Navy (DON) Purchase Card Program expedites the acquisition of mission essential materials and services through simplifying the purchases that are less than or equal to the \$2,500 micro-purchase threshold.

The Department of Defense (DOD) and DON made the Purchase Card Program available because it is a fast and efficient way to purchase materials and services and it reduces administrative efforts associated with micro-purchases.

B. Benefits

Cardholders/Activity Benefits: Cardholders (CHs) and activities directly benefit from the program by receiving required materials and services in the most timely and efficient manner. Administrative overhead is reduced substantially due to a decreased volume of paperwork.

DON Benefits: The DON benefits financially because the program's invoice and certification process is automated creating the fastest payments to the bank creditor. This results in reduced interest payments and increased cash rebates.

Vendor and Supplier Benefits: Merchants and vendors benefit by receiving virtually immediate payment for goods and services while reducing their billing and accounting overhead. This makes doing business with the government easy and attractive and leads to synergistic partnerships..

C. Major Roles

The Commanding Officer or Head of Activity (CO/HA) decides if the activity needs a purchase card program and initiates the process to create one.

Working with the activity's Financial Manager (FM) and others, the CO/HA selects an Agency Program Coordinator (APC) and delegates to the APC the authority to run the activity's program.

Each CH is assigned to an Approving Official (AO) who often is the CHs supervisor. The AO can have no more than seven (7) CH accounts under his/her purview and is required to review and approve all CH purchases.

CHs are the individuals who have purchasing authority to make mission essential acquisitions for their activity.

3. How the DON Purchase Card Program Works

A. The Processes

The DON Purchase Card Program can be viewed as several processes that combined allow DON activities to establish, maintain and execute a monthly program cycle. The following ten sections of this guide explain the major program processes in general terms with basic flowcharts.

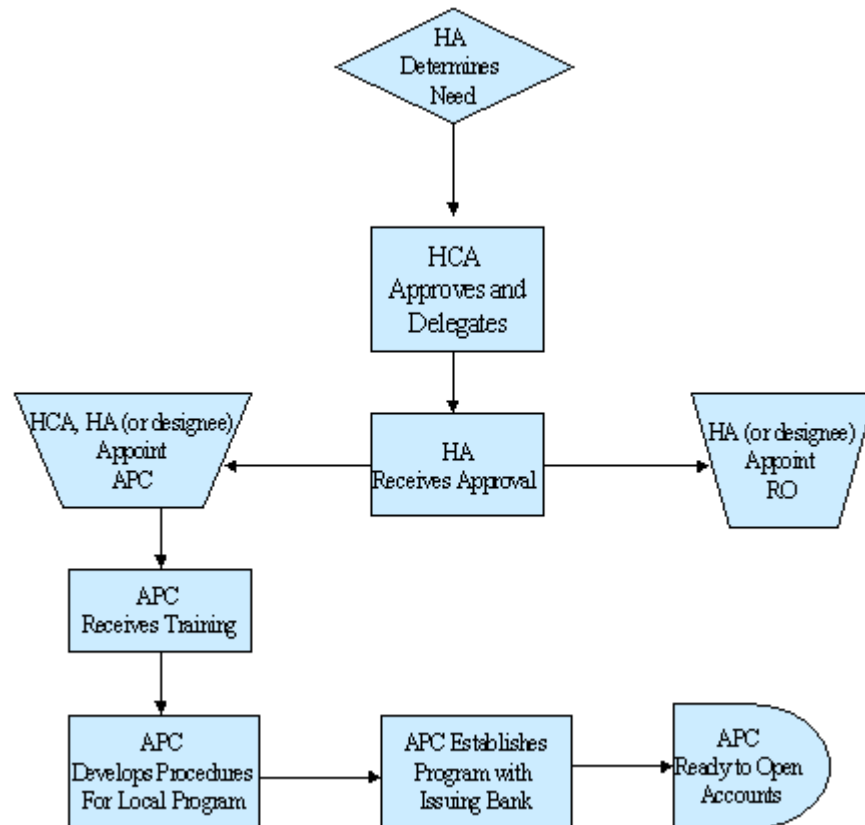

The details for the execution of these processes are included in the appropriate role guide – APC, AO or CH. The twelve major processes are:

- Establishing a Program
- Approving Official (AO) Account Set-Up
- Cardholder (CH) Account Set-Up
- Purchase Workflow
- Cardholder Account Reconciliation
- Pay & Confirm Process
- Disputes Process
- Approving Official (AO) Account Reconciliation and Certification
- EDI External Process
- EDI External Obligation Process
- EDI External Invoice Process
- EDI Internal Process

DON Purchase Card Program Program Orientation Desk Guide

B. Establishing a Program

The establishment of a government purchase card program begins with the Head of the Activity (HA) making a determination that a program is needed to support the mission of the organization.

When it is decided that a purchase card program is needed, the HA must request authority from the Head of the Contracting Agency (HCA) to establish the program.

After approval is received from the HCA, the HA must assure that a Review Official (RO) is appointed to perform pre and post certification reviews of certified invoices within the purchase card program.

The HA is also required to appoint an Agency Program Coordinator (APC) that will be responsible for the management of the activity's program.

The APC must complete the required training and become familiar with all guidance governing the organization's program. This may include, but is not limited to, Federal Acquisition Regulations (FAR), Defense Federal Acquisition

DON Purchase Card Program Program Orientation Desk Guide

Regulations (DFAR) and the EBUSOPSOFFINST 4200.1A. The APC is responsible for developing and promulgating any local policy and procedures (Internal Operating Procedure) that are mission specific to the activity.

The APC coordinates with Citibank under existing contracts and task orders to create a hierarchy level for their organization. Process details vary depending on the automated system used by the agency to communicate with the bank. The details of this process are explained in section 2.3 of the APC Desk Guide.

After Citibank has established a reporting hierarchy with all necessary information recorded in the bank's database, the APC is operational and can begin the Approving Official (AO) account set-up.

The activity will need enough AO accounts to ensure that the Cardholder-AO span of control ratio is held within the DoD prescribed upper limit of 7:1. It is the APC's responsibility to control this program parameter.

C. Training Requirements

All DON Government Commercial Purchase Card (GCPC) Program participants are required to complete two mandatory government purchase card courses. Some program participants are required to complete additional courses as explained below. The two mandatory courses are:

- a. The *DON eBusiness Purchase Card Training* course appropriate to the individual's role assignment within the program. These are role specific courses available for Cardholders, Approving Officials, Agency Program Coordinators and Heads Of Activity. The courses are also organized by electronic certification system – CitiDirect or WinSALTS. Each purchase card program participant is required to take the course appropriate as defined by his or her role within the program. This training is DON mandated for all DON GCPC participants.
- b. The Defense Acquisition University Continuous Learning Center (DAU CLC) *Government Purchase Card Tutorial* available at the DAU CLC website at <http://clc.dau.mil>. This course is DoD mandated training for all DoD GCPC participants.

These courses must be completed prior to appointment; the appropriate DON eBusiness Purchase Card Training course must be repeated as refresher training every two years. The DAU *Government Purchase Card Tutorial* is a "once and done" requirement and does not need to be repeated as refresher training.

Additional training is required for DON GCPC cardholders who are delegated use of the purchase card via SF 1402 (Certificate of Appointment). These individuals must complete the following course:

DON Purchase Card Program Program Orientation Desk Guide

- c. The *Simplified Acquisition Procedures (SAP)* course, CON 237, available on-line through the DAU website at www.dau.mil.

DON GCPC cardholders who have completed CON 101, Contracting Fundamentals, or CON 202, Intermediate Contracting since 1997 are exempt from the requirement to take CON 237.

Annual ethics training is required for the following DON GCPC participants:

- a. All Approving Officials (AO); these individuals are required to complete the Form OGE 450, Office of Government Ethics Confidential Financial Disclosure Report,
- b. All Cardholders (CH) who purchase in excess of \$100,000 (these individuals are required to complete the Form OGE 450).

DON GCPC participants required to take annual ethics training should check with their local Office of General Counsel for training availability.

All documentation of successful completion of the training listed in a.1, a.2 and a.3 must be retained by the individuals taking the training and their immediate Agency Program Coordinators for the duration of their appointment as a DON GCPC participant.

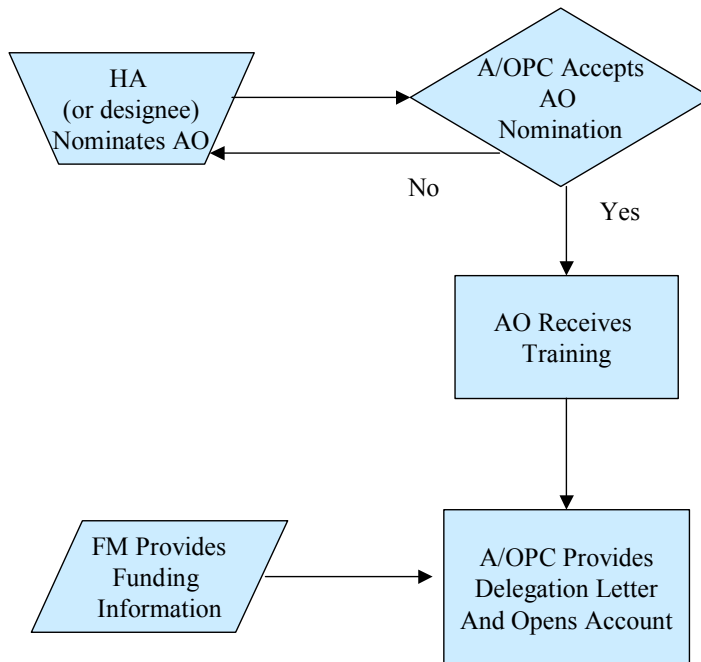

Refer to Appendix L of this desk guide for contact and availability information about these courses.

DON Purchase Card Program Program Orientation Desk Guide

D. Approving Official (AO) Account Set-Up

In order to issue a purchase card, an AO must be designated and an AO account opened before cardholders can be issued purchase cards.

The HA or his/her designee must nominate, in writing, an individual, either military or civilian, to perform the Approving Official role and functions and forwards it to the APC.

After the APC accepts the individual's nomination as an AO, the APC must schedule training for the AO. A list of training resources is included in Appendix L of this Desk Guide.

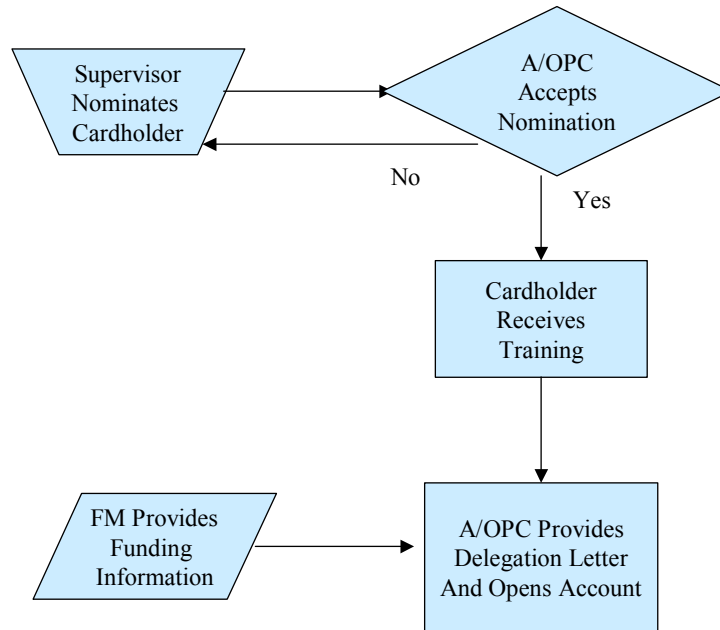

After the AO has received the required training, the APC obtains the necessary information to open an account with Citibank. Demographic and financial information for the individual is necessary to properly establish and affect payment of the account.

The APC then provides the AO with a written Letter of Delegation and opens the account with Citibank. The APC in conjunction with the HA, Financial Manager and Department Head establish the AO account's billing cycle limit and single purchase amount. These limits are the effective maximums for all cardholder accounts assigned to this AO account.

DON Purchase Card Program Program Orientation Desk Guide

E. Cardholder (CH) Account Set-Up

To establish a purchase card account, first an individual must be designated as the responsible account holder.

A CH must be nominated, in writing by their supervisor, to the APC. A sample of the nomination letter is included in Appendix E of this Desk Guide.

After accepting the nomination, the APC will schedule training for the CH.

After the CH has completed training, the APC will obtain all necessary information to establish the account including demographics, funding information and the AO responsible for review and oversight. Additionally, an individual responsible for certification and payment of this account is also identified (usually, the AO and the Certifying Official are the same individual).

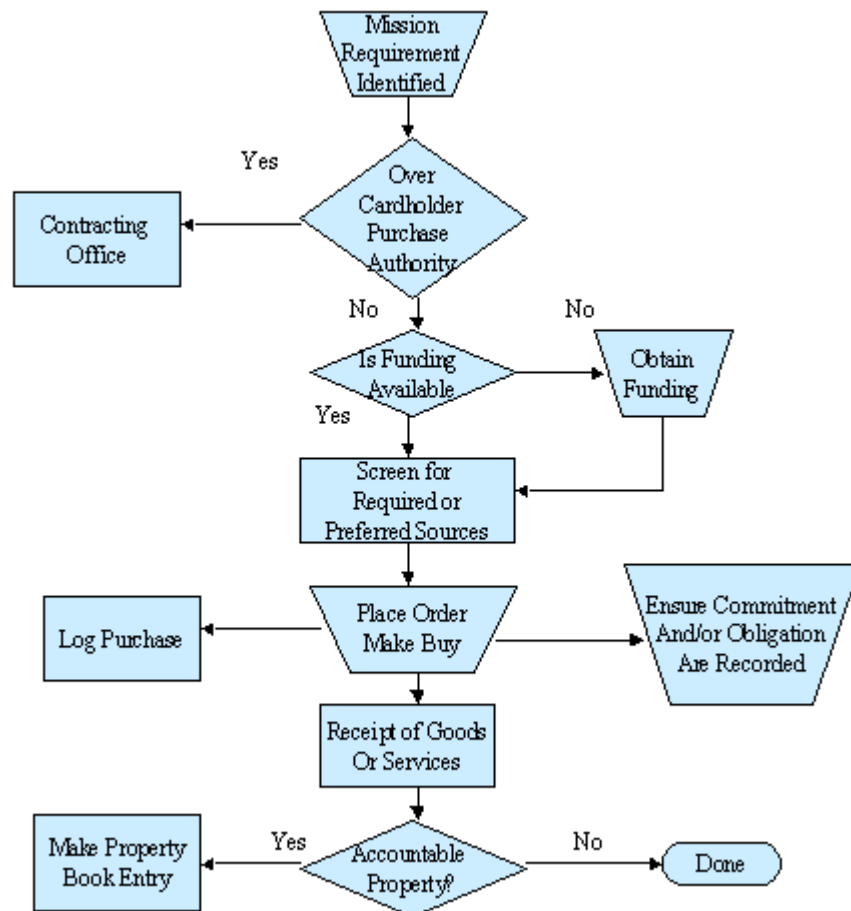

After all information is complete, the APC provides the CH with a Letter of Delegation and opens a purchase card account with Citibank. This same process is utilized when establishing a convenience check account. The APC in conjunction with the HA, Financial Manager, the AO and Department Head establish the CH billing cycle limit and single purchase amount.

DON Purchase Card Program Program Orientation Desk Guide

F. Purchase Workflow

The following diagram demonstrates the workflow process when a requirement is made to an activity.

After it has been determined that a mission requirement exists and that the purchase card will be used, the following process should be followed:

After a specific need has been identified, the CH must determine if he/she is authorized to make the requested purchase. The determination is made based on the dollar value of the purchase, in total, compared to the authority granted to the CH in the delegation letter. If the total request exceeds the CH's authority, the CH must refer the requirement to the contracting office for processing.

If it is determined that the total purchase is within the CH's authority, the item(s) must then be reviewed in accordance with mandatory sources of supply, such as JWOD (Javits-Wagner-O'Day Act) and NIB/NISH (National Industries of the

DON Purchase Card Program Program Orientation Desk Guide

Blind/National Institute of Severely Handicap) as specified in the FAR, DFAR and local governing instructions. Organizations may also designate preferred sources, such as Indefinite Delivery, Indefinite Quantity (IDIQ) type contracts, existing Blanket Purchase Agreements (BPAs), etc that are to be used in purchasing items for that organization. The requested item must not be prohibited by law or regulation or require special approvals. Funding must be available to cover the purchase.

If the item is prohibited or funding is not available, the CH should notify the requestor of the situation. Under no circumstances shall the CH proceed with purchases that are not funded or are unauthorized. If the requestor persists, matters should be reported to the AO, APC and FM.

If special approval is required, it must be obtained before placing an order or making a purchase.

After the CH has placed the order or made the purchase, he/she must make an entry in the purchase log. A list of the data items required to be entered into the log for use in reconciliation of the cardholder statement is included in section 2.9 of the Cardholder Desk Guide.

Once the CH is in receipt of the goods, the CH will make a record of receipt in accordance with local procedures.

The CH must determine if any item purchased is classified as accountable property in accordance with the Accountable Property instructions for the organization. If the item is classified as Accountable Property it must be reported to the Property Book Officer, logged and processed accordingly.

DON Purchase Card Program Program Orientation Desk Guide

G. Cardholder (CH) Account Reconciliation

CHs are responsible for reconciling their purchase card statement for accuracy.

The CH must review each transaction and match it to the previously made purchase log entry and documentation to determine validity. Cardholders should ensure that all transactions have receipts.

If the transaction is invalid, the CH must immediately initiate a dispute with Citibank except for taxes and transportation charges. The dispute must be filed in accordance with the procedures outlined by Citibank. The details of the dispute process are included in section 2.16 of the Cardholder Desk Guide.

If the transaction differs, the CH must contact the vendor to resolve the issue. If not resolved within 30 days, the CH must file a dispute. If the transaction is valid it must be approved.

DON Purchase Card Program Program Orientation Desk Guide

If the transaction is a valid purchase but goods and/or services have not been received, the CH will approve the transaction for payment. Receipt of the goods and/or services should then be closely tracked by the CH to assure receipt by the next billing statement.

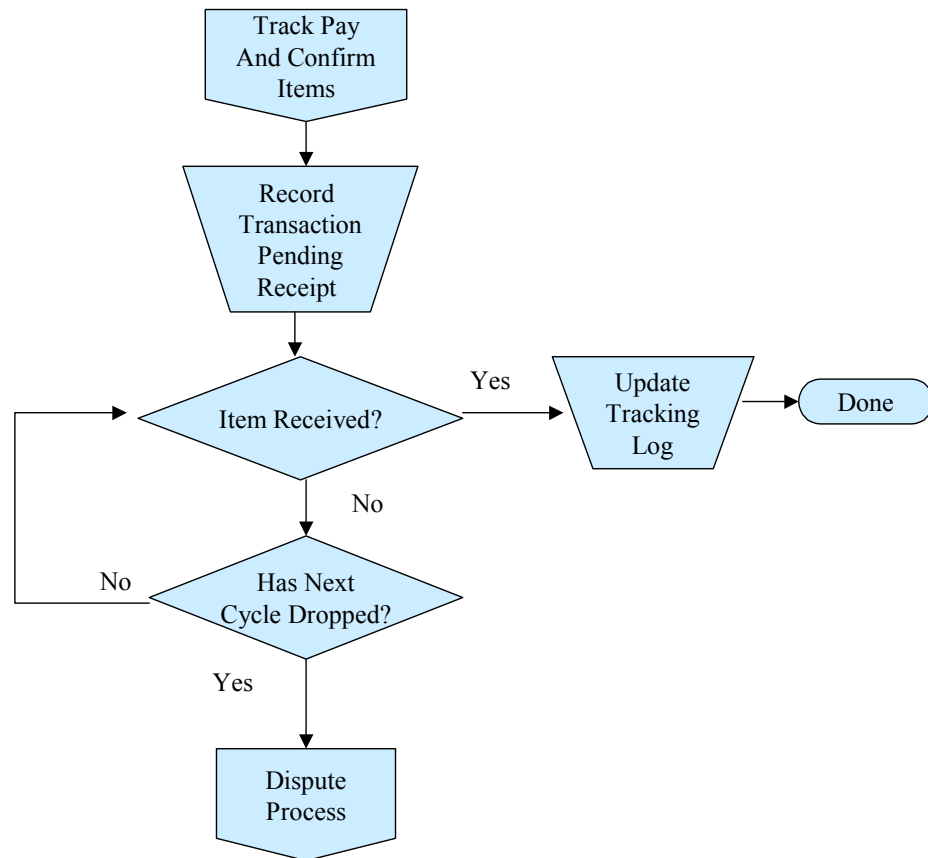

After all transactions are reconciled, i.e. approved or disputed, the CH acknowledges transaction validity, as specified in current DOD guidance, with personal signature or electronic acceptance.

After acceptance, the CH must approve the statement. The AO is then responsible for second level review and approval in accordance with the process detailed in section 2.5 of the AO Desk Guide.

DON Purchase Card Program Program Orientation Desk Guide

H. Pay & Confirm Process

The pay and confirm process allows Citibank to be paid for items that have been shipped by the vendor but not received by the organization. It is the responsibility of the cardholder to monitor receipt of approved purchases of which goods or services have not been received to assure delivery. (A tracking list should be created for this purpose.) In order to determine delivery status, the CH must communicate with the vendor.

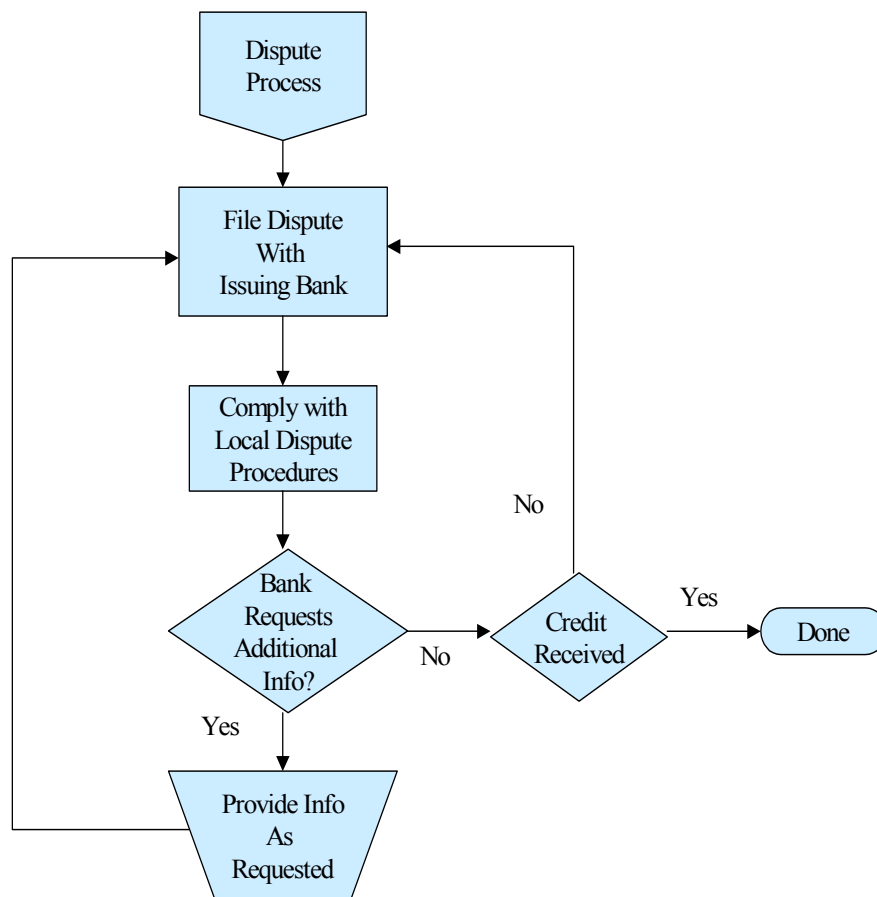

If the next statement cycle has occurred and the organization is still not in receipt of the goods and/or services, the CH must file a dispute. Detailed instructions for the dispute process are included in section 2.16 of the Cardholder Desk Guide.

DON Purchase Card Program Program Orientation Desk Guide

I. Dispute Process

All CHs have the right and responsibility to process disputes when they have been unable to resolve any issue with the vendor, such as receiving credit for returned items, excessive charges, invalid charges, etc. (*Note: While the federal government is tax exempt in most cases, sales tax is not a disputable item. If sales tax should not have been charged then the CH must obtain a credit from the vendor.)

Upon determination that a dispute is required, the CH must initiate a dispute with Citibank in accordance with the bank's procedures.

Should the bank request additional information in order to properly adjudicate the dispute, the CH is obligated to comply with the request. Failure to comply will result in the loss of disputing rights.

DON Purchase Card Program Program Orientation Desk Guide

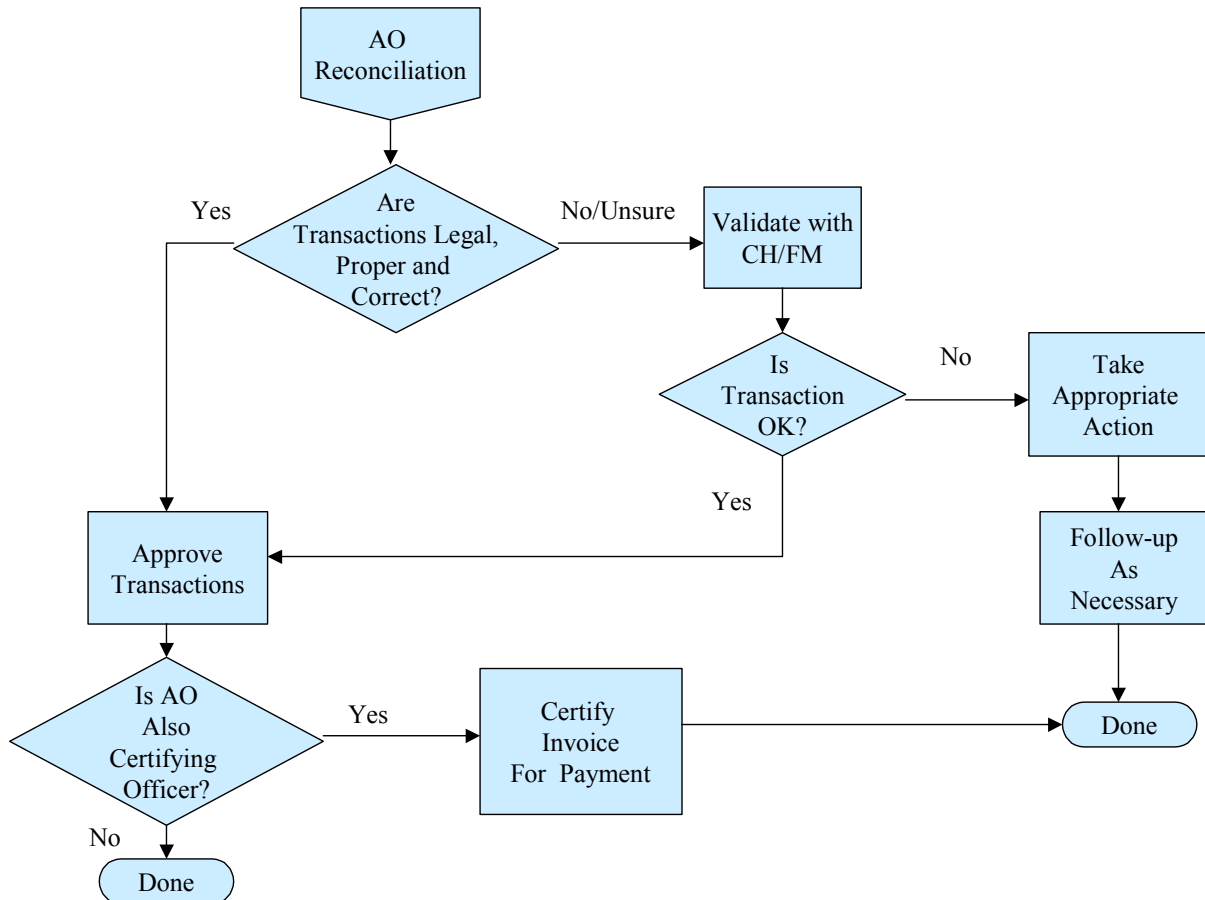

Upon acceptance of the dispute, Citibank will provide a provisional credit to the CH account. If the dispute is resolved in favor of the CH no further action is necessary. If the dispute is found in favor of the merchant, the transaction will be re-billed to the CH. The CH must then approve the transaction for payment through the certifying officer (AO).

The status of disputes can be obtained using the CitiDirect Inquiry function and selecting "Pending Disputes".

DON Purchase Card Program Program Orientation Desk Guide

J. Approving Official (AO) Account Reconciliation and Certification

The AO is responsible for approving all transactions for his/her assigned CHs. It is, therefore, preferable that the AO be the CHs supervisor and/or co-located. This structure is critical for management controls of the purchase card.

The AO must assure all transactions for all assigned CHs are legal, proper and correct in accordance with governing rules and regulations. The EBUSOPSOFFINST 4200.1A includes a list of these rules and regulations.

If the AO finds questionable transactions, the AO must contact the CH to review supporting documentation and/or consult with the FM, as appropriate.

If it is determined the transactions are legal, proper and correct, the AO should approve the statement and/or invoice. If transactions are not legal, proper and correct, a decision must be made as to the liability associated with them. If the transactions are for invalid and/or improper purchases, the AO must resolve this with the CH and/or vendor. Ideally, these items should be returned and a credit

DON Purchase Card Program Program Orientation Desk Guide

(never cash) received. In some cases the CH must file a dispute to receive credit.

If it is determined that the CH was negligent, appropriate administrative or disciplinary action must be taken in accordance with either the DOD disciplinary policies for purchase card misuse and abuse or the organization's governing personnel policies and procedures. In addition, military members are subject to the Uniform Code of Military Justice.

If a transaction was processed in accordance with the controls established by the organization but was found to be inappropriate, Citibank has fulfilled its responsibilities under the contract and the government is obligated to make payment to the bank. The government must seek restitution from the responsible employee(s) for any losses incurred as a result of their improper purchases.

By definition, the CH and the AO are the accountable and responsible officials. Additionally, when the AO appointed as the Certifying Officer, pecuniary liability for an illegal, improper or incorrect payment is automatically assigned.

When an AO is appointed as a Certifying Officer, he/she must certify the Citibank invoice, acknowledging approval of all transactions as legal, proper and correct, and forward the document to the appropriate payment office for payment.

If the Citibank invoice is electronically certified, the payment will process in accordance with EDI External and Internal Processes explained in the next section of this guide. The details of this process vary depending on whether the activity uses CitiDirect or SALTS as its automated system.

It is the responsibility of the AO to assure the CH accounts are kept current. If at any time a delinquency notice is received from the Citibank, the AO must resolve the delinquency. Assistance may be obtained from the APC and/or payment office.

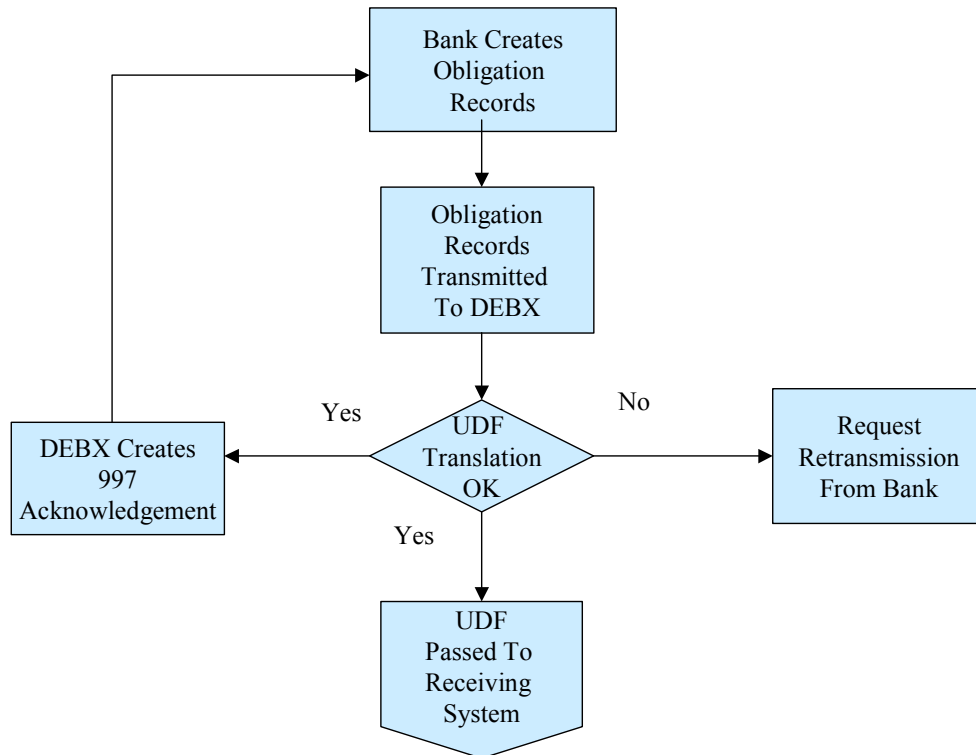

K. EDI External Process

The Government Purchase Card Electronic Data Interchange (EDI) occurs both internally and externally to the government. EDI is the mechanism used to communicate fund obligations and certify invoices between Citibank and the DON. Citibank's key role in this process is described in the next sub-sections of this guide.

DON Purchase Card Program Program Orientation Desk Guide

L. EDI External Obligation Process

A DON activity needs to obligate funds within the appropriate DON accounting system before the purchase card can be used. Citibank generates obligation records for transmission to DON activity's official accounting records based on business rules established in the EDI Concept of Operations.

The bank generates "821" type records based upon the DON Implementation Convention standards for obligations. The timing of the record generation is dependent upon the two possible funding methods- -i.e., Bulk or Transactional.

When a file is created by Citibank, it is transmitted to the government via the Defense Electronic Business Exchange (DEBX) network. This network receives the transaction and translates the EDI record into a format that can be processed by the receiving accounting system. The translation results in a User Defined File (UDF) that is transmitted to and processed by the government accounting system of record (i.e. STARS-FL, STARS-HQ, STANFINS, SOMARDS, DBMS, etc.). The translation is performed based on mapping requirements provided by the receiving systems' managers.

During the translation process, the EDI records are validated. If the file cannot be translated due to invalid data or it does not contain all of the required information, processing requirements are not met and the DEBX will request the

DON Purchase Card Program Program Orientation Desk Guide

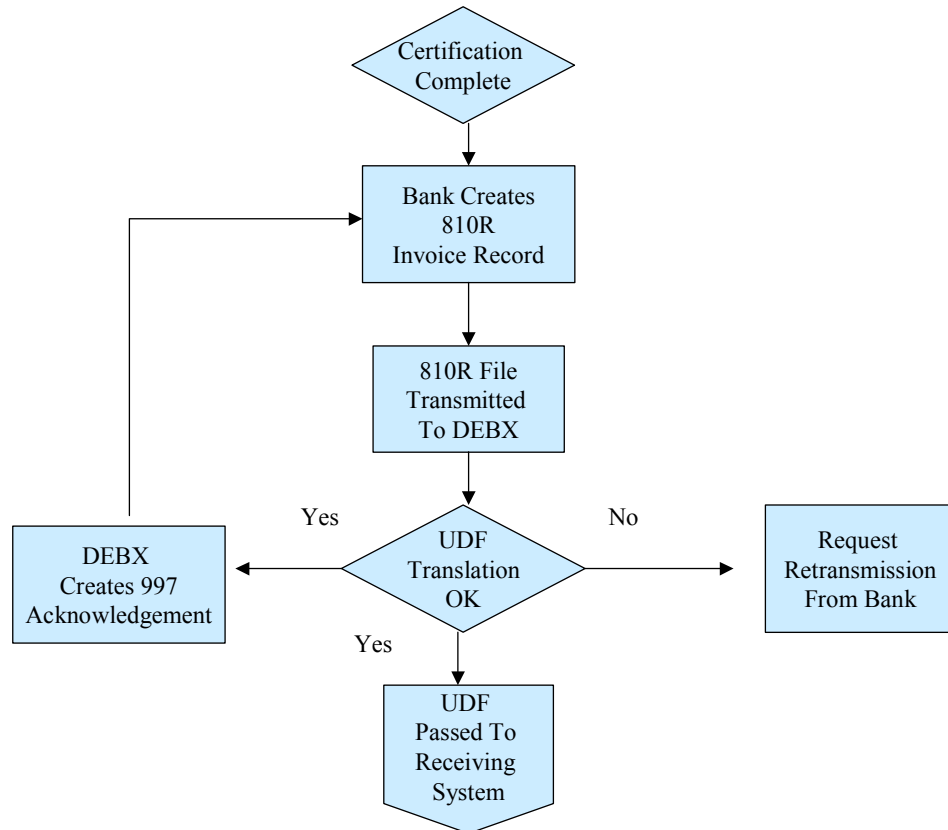

bank to retransmit the file. If the file processes according to the specifications, the DEBX generates a “997” type acknowledgement and sends it back to Citibank. This “997” type record indicates to the bank that the file has been accepted by the government for processing.

The UDF is then transmitted to the official accounting system for processing. Each receiving system has provided the DEBX with process procedure documentation.

DON Purchase Card Program Program Orientation Desk Guide

M. EDI External Invoice Process

Citibank generates invoice records for transmission to the DON activity's accounting system based on business rules established in the EDI Concept of Operations.

Citibank generates "810R" type records based upon the DOD Implementation Convention standards for certified invoices. The timing of the generation is based on the business rules selected by the DON from the EDI Concept of Operations (see appendix). Regardless of the business rule selected, however, the trigger for "810R" invoice generation is certification of the official invoice presented by Citibank.

When the "810R" type file is created by Citibank, it is transmitted to the government via the Defense Electronic Business Exchange (DEBX) network. This network receives the EDI transactions and translates the records into a format that can be processed by the receiving accounting system. This translation results in a User Defined File (UDF) that is transmitted to and processed by the government cash disbursements payment system (i.e. STARS-

DON Purchase Card Program Program Orientation Desk Guide

OP, CAPS-W, CAPS-C, IAPS etc.). The translation is performed based on mapping requirements provided by the receiving systems' managers.

During the translation process, the EDI records are validated. If the file cannot be translated due to invalid data or it does not contain all the required information, processing requirements are not met and the DEBX will request the bank to retransmit the file. If the file processes according to the specifications, the DEBX generates a "997" type record acknowledgement and sends it back to Citibank. This "997" indicates to the bank that the file has been accepted by the government for processing.

The UDF is then transmitted to the official accounting system for processing. Each receiving system has provided the DEBX with documentation as to the procedure to process it's file.

DON Purchase Card Program Program Orientation Desk Guide

N. EDI Internal Process

Whether it's an obligation file or an invoice file, after a file has been transmitted from Citibank to the DEBX and the 997 has been transmitted to the bank, the government has accepted responsibility for the processing of that file. The creation of the User Defined File (UDF) facilitates the processing of the records by the receiving system.

After the UDF is generated, the DEBX transmits the UDF to the receiving system. This is done through an intermediary source or directly to the system for processing.

The receiving system accepts the UDF for processing. The UDF is taken into the receiving system electronically without modification. After the UDF records are taken into the system they are processed as any other accounting and invoice records.

DON Purchase Card Program CH CitiDirect Desk Guide

Section II: Functions and Responsibilities – CH CitiDirect

1. Complete Required Initial And Refresher Training

EBUSOPSOFFINST 4200.1A requires that a potential cardholder (CH) complete one of several training options **before** becoming an official CH with an active Department of Navy (DON) Purchase Card account. The training's primary focus is on the policies and procedures that govern the DON Purchase Card program. A CH has the responsibility for properly using the funds allocated to the DON by the taxpayers. The required training programs are designed to ensure that each CH has a complete understanding of these governing policies and procedures before being entrusted with this responsibility.

Training Requirements

1. **All** DON Government Commercial Purchase Card (GCPC) Program participants are required to complete two mandatory government purchase card courses. Some program participants are required to complete additional courses as explained below. The two mandatory courses are:
 - i. The ***DON eBusiness Purchase Card Training*** course appropriate to the individual's role assignment within the program. These are role specific courses available for Cardholders, Approving Officials, Agency Program Coordinators and Heads Of Activity. The courses are also organized by electronic certification system – CitiDirect or WinSALTS. Each purchase card program participant is required to take the course appropriate as defined by his or her role within the program. This training is DON mandated for all DON GCPC participants.
 - ii. The Defense Acquisition University Continuous Learning Center (DAU CLC) ***Government Purchase Card Tutorial*** available at the DAU CLC website at <http://clc.dau.mil>. This course is DoD mandated training for all DoD GCPC participants.

These courses must be completed prior to appointment; the appropriate DON eBusiness Purchase Card Training course must be repeated as refresher training every two years. The DAU *Government Purchase Card Tutorial* is a "once and done" requirement and does not need to be repeated as refresher training.

2. Additional training is required for DON GCPC cardholders who are delegated use of the purchase card via SF 1402 (Certificate of Appointment). These individuals must complete the following course:
 - i. The ***Simplified Acquisition Procedures (SAP)*** course, **CON 237**, available on-line through the DAU website at www.dau.mil.

DON Purchase Card Program CH CitiDirect Desk Guide

DON GCPC cardholders who have completed CON 101, Contracting Fundamentals, or CON 202, Intermediate Contracting since 1997 are exempt from the requirement to take CON 237.

3. Annual ethics training is required for the following DON GCPC participants:
 - i. All Approving Officials (AO); these individuals are required to complete the Form OGE 450, Office of Government Ethics Confidential Financial Disclosure Report,
 - ii. All Cardholders (CH) who purchase in excess of \$100,000 (these individuals are required to complete the Form OGE 450).

DON GCPC participants required to take annual ethics training should check with their local Office of General Counsel for training availability.

All documentation of successful completion of the training listed in a.1, a.2 and a.3 must be retained by the individuals taking the training and their immediate Agency Program Coordinators for the duration of their appointment as a DON GCPC participant.

Refer to Appendix L of this desk guide for contact and availability information about these courses.

DON Purchase Card Program CH CitiDirect Desk Guide

2. Hold A Valid Letter Of Delegation Document

The Purchase Card Program has several major benefits that support and justify its existence. A primary benefit is the simplification of the acquisition of mission critical supplies and services needed by the men and women of the DON. This simplification is achieved by entrusting the people needing the supplies and services with the authority to purchase them.

Purchase Card Program CHs are officially granted the authority to make purchases on behalf of the DON when they are in receipt of a Letter of Delegation or certificate of appointment and Accountable Official designation. It is the responsibility of the activity's APC to initiate this process and ensure that the CH receives his/her delegation document. A CH **must** hold the proper delegation **before** making any acquisitions using a government commercial purchase card (GCPC).

Each CHs delegation letter will include a single purchase limit, a billing cycle purchase limit (30-day limit) and all authorized procurement methods.

For example, you as a CH have been delegated a \$2500 single purchase limit with a \$5000 billing cycle purchase limit. This means you can pay no more than \$2500 for any single purchase and spend no more than \$5000 in total purchases for a monthly billing cycle. (Note – the Citibank billing cycle begins on the 22nd day of each month and ends on the 21st day of the following month unless the 21st falls on a weekend or holiday in which case the closing reverts to the first business day preceding the 21st.)

If you have any questions regarding your delegation letter, contact your APC and/or your AO.

DON Purchase Card Program CH CitiDirect Desk Guide

3. Convenience Checks

Convenience checks are third party drafts issued using a government purchase card account. Third party drafts may be used to acquire and to pay for supplies or services. Policies and regulations concerning the establishment of and accounting for third party drafts, including the responsibilities of designated cashiers and alternates, are contained in EBUSOPSOFFINST 4200.1A.

- a. Delegations of authority to maintain and use convenience checks shall be issued in writing specifically to the activity approving official, check custodian and convenience check cashier by the activity commander/director who is authorized to establish the account.
 - 1) Convenience Checks may only be used after the command/activity has made every attempt to use the purchase card.
 - 2) Individual Convenience Checks CANNOT be issued in excess of \$2,500 (\$10,000 overseas in support of contingencies declared by the Secretary of Defense).
 - 3) Convenience checks shall be issued in the exact amount of the payment and shall not be split to avoid the micro-purchase threshold.
 - 4) Convenience checks shall not be issued as an "exchange for cash" vehicle to establish cash funds.
 - 5) More than one checking account is allowed per installation, however the number of checkbooks shall be limited to as few as feasible, and may not exceed one per DOD tenant activity or autonomous location.
 - 6) Activities may ONLY appoint ONE convenience check cashier to sign and issue checks for the command. Activities are not authorized to appoint alternate cashiers.
 - 7) Activities fielding Convenience Check accounts must provide Convenience Check cashiers with a safe or locking cabinet for storage of the checks.
 - 8) Convenience Checks may be mailed only when internal controls are in place to avoid duplicate payments.
 - 9) Activities shall establish internal controls to include approval at least one level above the cashier.
 - 10) An officer or DOD civilian who is independent of the office maintaining the account must audit Convenience Check accounts yearly on an unannounced basis.
 - 11) A convenience check cashier may hold a purchase card only when the policies and procedures found within this instruction are observed.

DON Purchase Card Program CH CitiDirect Desk Guide

- 12) In order to maintain effective internal controls, an approving official may not perform the functions of the convenience check custodian or cashier.
 - 13) Convenience check cashiers are responsible for the safeguarding and security of their checks and account information. The convenience check cashier shall not allow anyone to use or gain access to his or her checks or his/her account information.
- b. Financial considerations for use with the Convenience Checks.
- 1) Activities are responsible for all costs associated with the Convenience Check program. Activities must pay 1.25 percent of the check amount for each convenience check issued.
 - 2) Convenience Check accounts shall be bulk funded.
- c. Reporting Convenience Checks to the Internal Revenue Service (IRS) for Tax Purposes.
- 1) There is a statutory requirement for DOD/DON to report payments made to contractors/merchants using convenience checks that are reportable to the IRS. Reportable payments include payments for services, rent, and medical payments regardless of the dollar value. If the payment was for goods and services combined it must be reported.
 - 2) Convenience check cashiers should enter 1099M data directly into the DFAS tax-reporting package via the Internet. To gain system access the APC and convenience check cashier must first complete the system access forms found on the Internet at <https://dfas4dod.dfas.mil/systems/1099>. The completed form can then be faxed to DFAS at 614.693.5452. The APC or convenience check cashier should wait 5-10 working days for processing. Each applicant will receive two e-mails from the DFAS Tax Office. The first will provide a user I.D. and the second will provide a password. The APC or convenience check cashier must follow the users manual located on the Welcome Page of the website noted above to change the password.
 - 3) The minimum data that convenience check cashiers should capture prior to issuing an convenience check for services is as follows:
 - a) Payee's name.
 - b) Payee's Address.
 - c) Payee's tax identification number (i.e., social security number or their employee identification number).
 - d) The check number.
 - e) The amount of the check.

DON Purchase Card Program CH CitiDirect Desk Guide

- f) The date of the check.

The convenience check cashier's bank account number is located on the bottom of each check and is not the number shown on the monthly billing statement.

- 4) Convenience check cashiers choosing not to use this process remain liable for the issuance of the 1099M to the vendor and the electronic filing to the IRS in the proper format. Each command operating and managing a convenience check account failing to file is responsible for any fines levied by the IRS for non-reporting.

4. Make Legitimate, Fair And Reasonable Priced Purchases

After the CH is trained and has a Letter of Delegation, the CHs purchase card account is activated and the CH can begin making purchases. The following guidelines are provided to ensure that purchases are legitimate, fair, reasonably priced and that all Purchase Card Program procedures are followed.

Department of Defense (DOD) mandates that government commercial purchases valued at \$2500, the micro-purchase threshold, or less be paid using the GCPC. Supplies and services may not exceed this value and construction may not exceed \$2000. ("OUTSIDE OF THE UNITED STATES" CHs having authenticated delegations of authority may procure items with the purchase card up to \$25,000.)

For purchases above \$2500, DOD highly encourages the use of the purchase card as a method of payment. If payments for these purchases are made via an electronic commerce/electronic data interface (EC/EDI), the CH shall ensure that encryption mechanisms are in place to protect the purchase card account number.

Before making any purchase card purchase, the CH shall ensure that:

- a. An **approved and properly funded** purchase request is presented prior to making the purchase. **Each** acquisition **must** be screened to ensure sufficient funds are committed, available and appropriate for the specific requirement to be purchased;
- b. The **appropriate purchase instrument** is used for the requirement [e.g., Blanket Purchase Agreement (BPA), purchase order (PO), contract, delivery order (DO), etc.];
- c. The **appropriate provisions and clauses** are included [Federal Acquisition Regulation (FAR) 52.232-36 shall be included in all purchase orders, BPAs and contracts where the purchase card will be used as the payment method]; and,
- d. **All contract reporting is accomplished** (i.e., DD Form 1057 or DD Form 350).

DON Purchase Card Program CH CitiDirect Desk Guide

5. Types Of Transactions

Training.

For amounts at \$25,000 and below, the purchase card shall be used as a payment method for commercial training requests (individual and group), using Department of Defense (DD) Form 1556.. The following conditions apply:

- a. Training is an off-the-shelf event, conference or instructional service available to the general public, and if group, priced the same for everyone;
- b. Training or financial officer shall ensure block 27 of a properly issued DD Form 1556 cites "payment will be made by the purchase card";
- c. Local activity procedures shall be followed for funds obligation;
- d. Prior to forwarding DD Form 1556 to Human Resources (HR), command activities must ensure block 27 also includes detailed CH information (name, card number, card expiration date and telephone number); and,
- e. Training is not in excess of \$2500, not associated with the use of DD Form 1556 and is developed for and attended by DON personnel only.

Printing and Duplication.

The DON must use the Defense Automated Printing Service (DAPS) for all printing and duplication purchases. It is **mandatory** that all DAPS purchases be made using the purchase card and DD Form 282 for CONUS and Hawaii. The CH must ensure that the appropriation block of DD Form 282 shows that the payment will be made with the purchase card. Also, the CHs name and telephone number should be stated in the special instruction/remarks block. **DO NOT INCLUDE YOUR PURCHASE CARD NUMBER ON THIS FORM.** After completing the printing request, DAPS will contact the CH to obtain the purchase card account number for billing purposes.

CHs and activities may obtain a publication from DAPS entitled "How to Complete and Submit the Department of Defense Printing Requisition (DD Form 282)".

Information Technology Capabilities.

Requirements for Information Technology capabilities, hardware or software, will be procured under the Navy-Marine Corps Intranet (NMCI) contract unless a waiver is granted. The waiver must be approved and signed at the General, Flag or Senior Executive Service (SES) level. Approval and signature authority cannot be delegated below General, Flag or SES level.

Questions related to NMCI must be directed to the activity's local contracting office.

DON Purchase Card Program

CH CitiDirect Desk Guide

Simplified Acquisition Methods.

Micro-purchases. All micro-purchase requirements regardless of the simplified acquisition method used (BPA calls or POs) shall be made with the purchase card unless written determination by a member of the SES, Flag Officer or General Officer is provided in the purchase file. (Pertains to any award/order **valued at or below** the micro-purchase threshold and does not use the purchase card on a stand-alone basis or as the method of payment). Exceptions to the written determination are shown in Appendix C of this desk guide.

Purchase Orders. Each PO for supplies and services should contain authorization for payment via purchase card, including unpriced orders having established ceiling prices.

Whether below, at or above the micro-purchase threshold, the following procedures apply:

- a. The CH must have a delegation letter or SF 1402, Certificate of Appointment. The delegation document shall specify use of the purchase card as a payment method. CHs single purchase and billing cycle dollar limitations should reflect authorization to use the purchase card as a method of payment;
- b. Requisitions for purchases to be made should include the CHs name, code and telephone number;
- c. The contracting officer shall include in all solicitations and awards the FAR 52.232-36 "Payment by Third Party". (The vendor's contract payment clause allows request of payment for the amount due, per contract terms, at the time the payment request is submitted.) The contracting officer must indicate in block 15 of the DD Form 1155, Order for Supplies or Services, that payment will be with the purchase card and also include contracting officer's name and telephone number;
- d. The CH must provide the vendor with the valid PO number and state that the purchase card will be used for payment at the time of the PO award;
- e. The CH shall give the vendor his/her purchase card number, verbally, by FAX or eMail. The CH shall inform the vendor not to charge the account until **after** performance/shipment occur and to not reveal the purchase card number on any shipping/packing document;
- f. If the vendor cannot perform within the established ceiling price for an unpriced order, the vendor must withhold performance and notify the contracting officer. The contracting officer may authorize the additional work/cost but shall issue a modification to the unpriced PO to definitize the order. The CH must inform the vendor not to charge his/her card account until completion of work; and,

DON Purchase Card Program CH CitiDirect Desk Guide

- g. The CH may use the purchase card as a method of payment for properly issued POs up to the Simplified Acquisition Threshold (SAT). Presently, this value is \$100,000 or up to \$5 million if using procedures under FAR 13.5 for acquiring commercial items.

Blanket Purchase Agreements (BPAs). The purchase card may be used to pay for firm fixed price or unpriced BPA calls issued against BPAs setup using SAP provided that:

- a. The contracting officer shall include in all solicitations and awards the FAR 52.232-36 "Payment by Third Party". (The vendor's contract payment clause allows request of payment for the amount due, per contract terms, at the time the payment request is submitted.) The contracting officer must indicate in block 15 of the DD Form 1155, Order for Supplies or Services, (or in block 18a if using Standard Form (SF) 1449, Solicitation/Contract/Order for Commercial Items) that payment will be with the purchase card and also include CHs name and telephone number;
- b. The \$100,000 SAT shall not be exceeded for individual calls payable unless the BPA is setup using FAR 13.5 procedures. Under FAR 13.5, individual calls may be made up to \$5 million. Subsistence and calls against the Federal Supply Schedules (FSS) may be up to \$100,000;
- c. CHs authorized to place BPA calls must have a Certificate of Appointment (SF 1402) stating the appropriate procurement method and individual call limitation;
- d. The CH must receive a valid purchase requisition (written or electronic) indicating that the purchase card will be used for payment and including CH name, code and telephone number;
- e. The CH must provide the vendor his/her name, telephone and purchase card numbers at the time the BPA call is made. The CH shall inform the vendor to not charge the card account until after service is rendered and to not include the purchase card number on shipping/packing documents. This information can be relayed verbally, by FAX or eMAIL; and,
- f. Unpriced calls may be authorized for purchase card payment if made in accordance with NAVSUPINST 4200.85 (series). However, the CH must establish a firm fixed price ceiling with the vendor before placing the BPA call.

Non-Simplified Acquisition Methods.

Delivery Orders (FSS Contracts). The FSS contract must authorize purchase card payments for oral orders placed against the schedule for up to \$9,999,900. CHs acting within their delegated contracting/purchase authority may use their cards but all written DOs issued require a completed SF 1402.

DON Purchase Card Program CH CitiDirect Desk Guide

Should an ordering officer issue a DO on behalf of the CH, the CH's name and telephone number must be provided to the vendor. The CH must subsequently provide the vendor with his/her card account information verbally, by FAX or eMAIL.

CHs must review FSS contracts to determine if the schedules can meet the requirements. For amounts not more than \$2500, the CH needs only to check one schedule, providing that vendor can meet the requirements. For those costing over \$2500, the CH must compare products/services of at least three schedules to ensure the most fair and reasonable price is secured for the Government. (See NAVSUPINST 4200.85 for additional guidance on using GSA FSS contracts.)

Basic Ordering Agreements (BOAs) and Orders Under Indefinite Delivery Type Contracts (IDTC). The purchase card should be the payment method for firm fixed price orders issued against BOAs and for fixed price task/DOs issued against IDTCs provided that:

- a. The contracting officer shall include in all solicitations and awards the FAR 52.232-36 "Payment by Third Party". (The payment clause of the vendor's contract allows the vendor to request payment for the amount due, per contract terms, at the time the payment request is submitted.)
- b. The contracting officer should specify in the IDTC/BOA the point at which each order becomes binding (e.g., issuance of the order, acceptance of the order in a specified manner or failure to reject the order within a specified number of days).
- c. Each DO should state the purchase card is the payment method for individual orders.
- d. The CH will provide his/her name and telephone number to the vendor and request to be contacted upon receipt of order.

NOTE: If the CH is unable to provide this information to the vendor the ordering officer should do so. In this case, the ordering officer must notify the CH, either in writing or electronically, that the order has been placed. A copy of the written order should be given to the CH.

- e. After the vendor receives the order, the CH should provide his/her purchase card account number and inform the vendor to not bill the account until shipment of supplies is made or services are rendered.
- f. The CH must not change any terms and conditions of the order and should notify the ordering officer immediately if there are problems with delivery or performance.
- g. The CH must verify receipt and acceptance of all items/services ordered.
- h. The ordering officer is responsible and must complete all contract reporting related to the procurement (e.g., DD 1057/DD 350).

DON Purchase Card Program CH CitiDirect Desk Guide

- i. Individual orders may be paid for no more than \$9,999,900.
- j. It is the ordering officer's responsibility to confirm all authorized oral orders under the IDTC in writing as prescribed in FAR 16.5.

Finally, oral orders against Letters of Agreement (LOAs) valued above \$2500 but for no more than \$25,000 may be issued using the purchase card.

Document Preparation. **None of the following clauses are permitted in orders or POs for purchase card purchases:**

FAR 52.213-1 Fast Payment Procedures
FAR 52.232-8 Discounts for Prompt Payment
FAR 52.232-23 Assignment of Claims
FAR 52.232-25 Prompt Payment

Document Distribution. IDTC/BOAs/POs copies shall not be distributed to the payment office, Defense Finance and Accounting Service (DFAS).

Transportation Terms.

Free-on-Board (FOB) Destination: vendor pays the cost of transportation and includes it in cost of item(s). CHs should **always** attempt to obtain FOB terms.

FOB Port of Embarkation (POE): vendor pays cost of transportation to the Defense Transportation Regulation (DTR) Aerial/Water POE, or Defense Distribution Depot San Joaquin, CA (DDJC) for outside continental United States ("OUTSIDE OF THE UNITED STATES"). (Transportation charges from the Aerial/Water POE or DDJC to overseas are paid using TAC N820).

FOB Origin: means prepay and add, the vendor bills for shipping and adds the cost as a separate line item. CHs **should not** accept FOB Origin terms. [In cases where CHs must accept FOB Origin, transportation charges will be paid from the procurement Line of Accounting (LOA)].

See Appendix K of this Desk Guide for more information on "Transportation Considerations".

6. Screen For Required Sources

A CH must screen all acquisitions against several legal requirements before making a purchase. Some of the screening requirements are financial in nature and others are statutory requirements established by acts of congress. **All screenings must be completed before making the purchase.**

Funding

Each acquisition must be screened to ensure **sufficient funds are committed and available** to cover the cost of the item. The type of funding must also be checked to ensure it is appropriate for the specific requirement to be purchased.

After the CH establishes that proper funding is available, the CH is required by law to screen all purchases for availability from several statutory sources. These sources include UNICOR, the Javits-Wagner-O'Day (JWOD) program, and the Government Printing Office.

CHs must document the manual or automated purchase card log with evidence that the screening was completed.

Acquisitions From UNICOR

FAR Part 8 has designated UNICOR as a mandatory government source of supply that purchase cardholders must consider in acquiring supplies and services. (A listing of their products can be found at 18 U.S.C.4124 (d). DON Purchase cardholders must conduct market research on any item(s) listed in the UNICOR Schedule prior to proceeding with any purchase card transaction. In cases where market research indicates that the UNICOR product(s) are not comparable with the private sector product(s) in terms of price, quality or time of delivery, the purchase cardholder must conduct a competition among known suppliers including UNICOR in the competition. All timely offers from UNICOR. must be considered. If UNICOR is comparable in all three areas (price, quality or time of delivery), the purchase cardholder shall continue with the acquisition from UNICOR on a non-competitive basis. The UNICOR product must be comparable to the private sector product in all three areas in order to continue the acquisition on a non-competitive basis. A clearance is required from UNICOR in all cases where their products are comparable in terms of price, quality and time of delivery and the purchase cardholder does not acquire the supply or service from UNICOR. DON purchase cardholders shall retain all documentation of market research and competitions conducted where UNICOR products are available for purchases. A clearance from UNICOR is not required where the total order is \$250 or less.

DON Purchase Card Program CH CitiDirect Desk Guide

Screening for JWOD.

CHs **shall** screen all requirements for their availability from JWOD sources. CHs should screen requirements from <http://www.JWOD.com>, local servmarts and other JWOD distributors. JWOD organizations manage many base servmarts. However, **not all** products sold in servmarts are JWOD products.

CHs may fill emergent needs through servmarts within the following purchase thresholds: If the purchase/order is solely for JWOD/UNICOR products, CHs may use their cards **up to \$100,000**; **however**, if the purchase or order is not JWOD or if order is mixed between commercial items and JWOD items, the **threshold for purchases is \$2,500**.

Purchasing Environmentally Preferable Products.

CHs **shall** purchase environmentally preferable products and services. The Environmental Protection Agency (EPA) has issued a guide to assist purchasing personnel who are responsible for procuring activity requirements. The guide is entitled "Guidance on the Acquisition of Environmentally Preferable Products" and identifies EPA preferable items. The guide can be accessed on the Internet at <http://www.epa.gov/cpg>.

GSA has also provided assistance to CHs through a listing of products and services qualifying as "green" (environmentally friendly). This list contains over 5000 items and is located at <http://pub.fss.gsa.gov/environ>.

(Commercial sources have labeled their products with icons that identify listings of their green products.)

After the appropriate approvals for the specific item have been obtained (i.e. items requiring Special attention, information technology, etc), assurance that the item is mission essential and meets the Government's minimum need must be determined.

Rehabilitation Act of 1973.

The CH must support the intent of Section 508 of the Rehabilitation Act of 1973 to the maximum extent possible. This act requires Federal Departments or agencies to develop, procure, maintain or use Electronic and Information Technology (EIT).

The EIT allows Federal employees with disabilities to have access to and use of information and data that is comparable to the access and use afforded other Federal employees who are not disabled. Similarly, members of the public with disabilities seeking information or services from an agency must also have access to and use of information and data that is comparable to that provided to members of the public who do not have disabilities.

This requirement becomes effective for micro-purchases on 1 January 2003. However, CHs are strongly encouraged to comply with the applicable accessibility

DON Purchase Card Program CH CitiDirect Desk Guide

standards. EIT standards are available at 36 Code of Federal Regulations (CFR), Part 1194, which is available on the Internet at <http://www.access.gpo.gov/nara/cfr>.

Ordering from Non-Appropriated Fund Instrumentality (NAFI) and Exchanges.

CHs are authorized to procure from NAFI/Morale, Welfare and Recreation (MWR) organizations. **Prior to ordering from NAFI/MWR organizations, cardholders must screen the requirements from the mandatory government sources of supply.** Supplies and services from the exchanges or NAFIs are not considered agency inventories for the purpose of this procedure.

Contracting with NAFIs/exchanges **does not** automatically establish price reasonableness. CHs should independently determine that the prices found at the NAFI/exchange are fair and reasonable.

The rules for using NAFI/exchanges Outside Continental United States ("OUTSIDE OF THE UNITED STATES") are governed by the following limitations:

- a. The supplies provided shall be from stock of the exchange on hand as of the date of the order; and
- b. The order may not provide for the procurement of services not regularly provided by the exchange.

Hazardous Materials (HAZMAT).

ONLY properly established Hazardous Material Centers are permitted to procure hazardous materials. Such facilities must require that **ONLY** personnel **trained** in the receipt, inspection, acceptance and disposal of such materials are those permitted to use purchase cards to procure hazardous materials.

The end user/CH must comply with established local command or activity procedures for the procurement and use of HAZMAT. Such procedures **shall**, at a minimum, require screening the requested material against the activity's Authorized Use List (AUL) and approval by the designated HAZMAT official of a contractor-provided Material Safety Data Sheet (MSDS). **(The CH shall not procure materials not listed on the activity AUL).**

In summary, the CH needs to complete all the appropriate screenings, document that the screenings have been completed, and then, proceed with the purchase.

DON Purchase Card Program CH CitiDirect Desk Guide

7. Rotate Vendors

It is reasonable to expect that the required sources screening processes can produce several qualified vendors from whom to choose. CHs **must rotate** their micro-purchases among these qualified suppliers. The CHs purchase log or similar records can be used to manage this rotation of acquisitions.

The DON has issued a list of certain types of products and/or services from vendors for which the CHs are prohibited from buying. These categories are automatically configured into the CHs bank card before it is issued. The categories are referred to as Merchant Category Codes (MCC).

See Appendix D of this Desk Guide for a complete list of blocked MCCs.

DON Purchase Card Program CH CitiDirect Desk Guide

8. How To Transact The Purchase

After the CH solicits price/delivery quotes from vendors, has documented the information on telecon record, a buyer's abstract or in the CHs purchase log (see paragraph 8 "Maintain A Purchase Log"), has evaluated the prices and has determined the best fair and reasonable price, he/she can proceed with transacting the purchase.

The means by which to transact purchases with the purchase card is known as "transaction types". The three methods, or transaction types, available for purchase card purchases are:

- a. Over-the-counter - The CH makes the purchase at the vendor's location or place of business
- b. Over-the-phone - The CH calls the vendor to order the supplies and the vendor then delivers the supplies or prepares the order for authorized government pickup
- c. Over-the-Internet - The CH, **if authorized by the Command**, places an order via the Internet. (This transaction type requires a CH to ensure that appropriate account safeguarding measures are taken.)

User identification, authentication and data encryption are important factors in safeguarding CH information. CHs **shall only** place online orders with organizations providing SSL-encrypted protection. [CHs must use a browser providing at least 128-bit capability (e.g. MS IE 5.5 or NETSCAPE 4.76 and above)]. Use of online ordering systems that do not provide encryption **is prohibited**. The CH **shall** comply with the authentication and identification requirements (passwords, identification, PIN #, etc.) required by the commercial vendor from whom the cardholder is acquiring supplies.

Whether the purchase is made over-the-counter, over-the-phone or over-the-Internet, the following applies:

- a. Vendors are instructed **not** to charge sales tax, unless the location of the merchant's business is in a state that does not afford the federal government a tax-exempt status under its state and local laws (e.g., Arizona, Hawaii);
- b. The CH ensures that any credit card fee paid by the vendor is **not added** to the price of the items (except in overseas locations);
- c. The CH reminds the vendor that his/her purchase card account may **not** be billed until after the material has been shipped or service provided;
- d. Avoid back ordering or delivering partial quantities - If an item must be back ordered or a partial quantity accepted, the merchant **must agree** to only bill for the **actual** quantity shipped; and,
- e. For easier statement reconciliation, the CH ensures that all items are delivered or picked up within the same billing cycle.

DON Purchase Card Program CH CitiDirect Desk Guide

CHs **must request** copies of **itemized sales receipts**, or other sales documents supporting their purchase card transactions. This includes charge slips, cash register receipts, packing lists, etc. CHs **must** retain any documentation received from vendors to support proof of sales, as this will later be used to verify the transactions shown on the CH statements.

If a CH does not have transaction documentation, an explanation **must** be attached to his/her statement during the reconciliation process (see paragraph 9 “Review And Reconcile All Transactions”). In addition, APCs, AOs and CHs **must maintain purchase-related records** (e.g. purchase card logs, requisitions, etc) **for a minimum of 3 years** and **financial records** (e.g. invoices, statements, etc) **for 6 years and 3 months**.

SPLITTING PURCHASES.

UNDER NO CIRCUMSTANCES IS IT PERMISSABLE FOR THE CH TO SPLIT PURCHASES IN ORDER TO EXCEED THE MICROPURCHASE THRESHOLD OR HIS/HER SINGLE PURCHASE LIMIT.

For example, an item you have been requested to purchase costs \$3000 and your CH single **purchase** limit is \$2500. The CH **SHALL NOT** purchase the \$3000 item by making two individual purchase card transactions (e.g. making one purchase for \$2000 and another purchase for \$1000).

DON Purchase Card Program CH CitiDirect Desk Guide

9. Maintain A Purchase Log

The CH is required to maintain accurate records of all purchase card transactions. The primary purpose of the purchase card log is to provide documentation to support the monthly invoice certification process. The log gives the CH the necessary backup data to confirm the accuracy of his/her monthly statement from Citibank.

The purchase card log can be either manual or automated. The CH uses the log to document individual card transactions and the screening process(es) used. Entries **must** be made for card transactions and/or convenience checks.

Entries in the purchase log may be supported by internal agency documentation such as a request for procurement document or an email request. The purchase card documentation should provide an audit trail supporting the decision to use the card and any required special approvals that were obtained.

At a minimum, the purchase card log **will contain** the date that the item or service was ordered, the merchant name, the dollar amount of the transaction, a description of the item or service, and, an indication of whether the item was received. It is suggested that a column be included to indicate whether the item was returned by entering the date of return.

NOTE: THE CARDHOLDER SHALL ACCEPT CREDIT ONLY, NOT CASH, FOR RETURNED ITEMS INITIALLY PURCHASED USING A GOVERNMENT PURCHASE CARD.

DON Purchase Card Program CH CitiDirect Desk Guide

10. Review And Reconcile All Transactions

At the end of each monthly billing cycle, it is the CHs responsibility to reconcile all transactions appearing on his/her monthly statement. The reconciliation process consists of comparing the CHs records/documentation against the electronic statement (eStatement) provided by Citibank. **Immediately** upon receipt of the monthly eStatement, the CH **must review all information**, verifying charges, credits, outstanding disputes and refunds, annotation of discrepancies, etc.

If the CH is unable to review the monthly eStatement (due to illness, leave, temporary duty assignment, etc.), the CHs AO or designated alternate AO is responsible for the review and certification. However, the CH **is still responsible** for reviewing the monthly statement, even **after** the AO has performed the review.

The step-by-step procedure for the eStatement reconciliation process using the CitiDirect system is explained in the CitiDirect Tutorial on the CitiDirect website located at www.cards.citidirect.com . The tutorial is located under the "Assistance" menu.

DON Purchase Card Program CH CitiDirect Desk Guide

11. Verify Independent Receipt Of Goods Or Services

In order to protect the integrity of the procurement process there **must be**, at a minimum, a **two-way separation** of functions for all purchase card transactions. The two-way separation of functions is defined as one person making the purchase with the purchase card and another person receiving, inspecting and accepting the purchase item.

- a. In cases where the CH is picking up the material at the vendor's location, the end user or other designated receiving personnel **shall** sign for final receipt.
- b. In the event the CH **is** the end user, the CH may sign the contractor/store receipt. However, the CH **must** obtain the co-signature of another Government employee within the command.

It is the CHs responsibility to ensure that independent receipt of goods and services takes place on all purchase card acquisitions.

DON Purchase Card Program CH CitiDirect Desk Guide

12. Approve Monthly Statement For Input To Approving Official (AO)

The CH is responsible for the reconciliation of the monthly bank eStatement. It is advised that the CH review account transactions periodically throughout the month.

After the eStatement has been reconciled and all transactions reviewed and compared to documentation, the CH forwards the eStatement to the AO for certification.

The CitiDirect process to submit an electronic statement for certification is explained in the CitiDirect Tutorial on the CitiDirect website located at www.cards.citidirect.com. The tutorial is located under the "Assistance" menu.

13. Notify AO Of Any Discrepancies Included On The Statement

The CH is ultimately responsible for purchase card transactions being proper and for notifying the AO of any information that impacts the propriety of certifying the monthly invoice for payment. **Notification to the AO must be done in writing and upon receipt of the monthly statement.** If transactions or credits are not included on the current statement, the CH must retain the applicable documentation until the transaction or credit appears and the purchase can be reconciled. The CH must then sign the statement containing those transactions, attach all supporting documentation and forward the package to his/her AO or designated alternate AO.

The AO is responsible for ensuring that all purchases made by the CH were appropriate and that the charges are accurate. The AO must resolve all questionable purchases with the CH. If an unauthorized purchase is detected, the AO must notify the APC and other appropriate personnel within the command in accordance with the Internal Operating Procedure (IOP).

After review, the AO will sign the CHs monthly statement of account and maintain the documentation in accordance with agency procedures.

14. Resolve Questionable Transactions With Vendors

In general, the quickest way to resolve questionable transactions that appear on a CH statement is to contact the vendors because they have the ability to fix many erroneous charges that can appear on a statement.

Vendors can resolve data entry errors, such as being charged \$250 instead of \$25. They can reverse accidental duplicate charges.

Contacting the vendor is also a quick way to determine whether a transaction needs to be disputed. When the vendor and CH disagree about a transaction,

DON Purchase Card Program CH CitiDirect Desk Guide

immediate actions need to be taken by the CH. In most situations, this will involve disputing the transaction and contacting the Citibank's Customer Help Desk.

Should you require assistance with cards and/or statements, contact the Citibank Help Desk toll free at 1.800.790.7206, option 4. Dial extension 6-9896 for Barbara Goldberg or extension 6-9880 for Steve Babine. Outside of North America, call collect to Citibank at 904.954.7850.

DON Purchase Card Program CH CitiDirect Desk Guide

15. Track Any Purchases Billed But Not Received

The DON Purchase Card Program includes a policy called “Pay and Confirm”. This policy applies to situations where a CHs monthly statement includes a legitimate transaction for a purchase for which the goods and/or services have not been received. The “Pay and Confirm” policy directs the CH to approve payment of the transaction if there is a reasonable expectation that the goods and/or services will be received before the next statement. That’s the “Pay” portion of the policy.

The “Confirm” part of the policy places the responsibility on the CH to track the transaction to completion. The CH **must confirm** the ultimate receipt of the purchase **before** the next billing cycle. If the goods and/or services are not received before the next billing cycle, the CH **must initiate** the dispute process with the bank.

The “Pay and Confirm” policy has two primary benefits. First, the policy greatly reduces the number of unnecessary disputes. Disputes against late delivery transactions can create a significant administrative workload, both to file the dispute and then to undo the dispute when the goods are delivered. If there is a reasonable expectation that the goods and services will be delivered, it’s best to pay the statement.

The second benefit of the “Pay and Confirm” policy is that it simplifies the financial process and helps to manage delinquencies. Delinquencies, which are bank billed transactions that are over 60 days due for payment, often are caused by financial glitches that result from statements with disputed transactions. The “Pay and Confirm” policy helps to avoid these situations.

DON Purchase Card Program CH CitiDirect Desk Guide

16. Dispute Unresolved Questionable Transactions

If a CH determines that a transaction on the monthly statement is erroneous and has already addressed the issue with the vendor, but to no satisfaction, then the CH needs to **formally dispute** the transaction. All charges must be disputed within 60 days of the receipt of the statement on which the charge first appeared.

Disputable transactions include such items as duplicate billings, non-receipt of merchandise, returned merchandise, canceled merchandise or services, invoice amount discrepancies and/or transaction paid by other means. Convenience Check transactions and any form of taxes **cannot** be disputed through the bank, but **must** be resolved **directly with the merchant**. Prior to submitting a formal dispute form, the CH must initiate communication with the bank and notify the APC of the dispute.

Transactions that are determined to be fraudulent or unauthorized will not be certified for payment. **Prior to submitting a formal dispute form, the CH must initiate communication with the bank and notify the APC of the dispute.** The invoice **shall** be "short paid" by the amount of the transaction(s) in question **using the manual certification process.**

After a dispute has been filed, the bank will suspend the disputed charge from the outstanding balance due, issue a provisional credit and acknowledge initiation of the dispute to the CH. Based on the outcome of the dispute process, the charge will either be resolved in favor of the CH or the merchant. If the dispute is resolved in favor of the CH, the charge is removed from the account. If the dispute is resolved in favor of the merchant, a letter will be sent to the CH explaining the decision and the charge will appear in the balance due on the next invoice.

Charges on the CH statement that involve misuse or abuse by the CH are not disputable with the bank. The Government is contractually obligated to make payment to the bank and follow the appropriate process to recover the funds from the employee involved.

The process to dispute a transaction using CitiDirect is explained in the CitiDirect Tutorial on the CitiDirect website located at www.cards.citidirect.com. The tutorial is located under the "Assistance" menu.

DON Purchase Card Program CH CitiDirect Desk Guide

17. Dispute “Pay And Confirm” Transactions When Appropriate

As discussed previously, the Purchase Card Program includes the “Pay and Confirm” policy. The most common “Pay and Confirm” situation is the late delivery of goods purchased. “Pay and Confirm” says pay the invoice even though the goods have not yet been delivered and track the situation to be sure the goods arrive before the next billing cycle. **If the supplies are not received within the next billing cycle, the CH must then dispute the item using established dispute procedures.**

18. Track Disputes To Completion

When disputing a transaction, it is the CHs responsibility to track the discrepancy to its **complete** conclusion.

Ultimately, a formal dispute filed with the bank will either be decided in favor of merchant or CH. However, errors can also happen in the settlement of the dispute. For example, the finding could be in the CHs favor but the credit could be applied to the wrong account.

For this and other reasons, the CH **must track all disputes to their completion.** It is the CHs responsibility to ensure that the government’s interest is protected and that the dispute is properly credited and resolved efficiently. The CH must work closely with the AO to track disputes to completion.

19. Notify Property Book Officer If Accountable Property

The CH is responsible for notifying the property book officer when any item classified as accountable property is acquired via the purchase card.

Accountable property is property recorded in a formal property management or accounting system. It includes all property purchased, leased (capital leases), or otherwise obtained, having a unit acquisition cost of more than \$4,999.99. It also includes items that are sensitive or those that require a high degree of protection and control due to statutory requirements or regulations. Examples of sensitive items are: narcotics and drug abuse items; precious metals; items which are of a high value, highly technical, or hazardous in nature; and, small arms, ammunition, explosives, and demolition material. (Land is an accountable item regardless of cost.)

Additional and/or separate records or other record keeping instruments **shall** be established for management purposes, or when otherwise required by law, policy, regulation, or Agency direction. This includes, **but is not limited to**, items subject to pilferage. These items are those having a ready resale value or application to a personal need and which are, therefore, especially subject to theft.

The CH is responsible for ensuring that all accountable property acquired with the purchase card is reported to the property book officer.

DON Purchase Card Program CH CitiDirect Desk Guide

20. Use CitiDirect To Monitor Activity

The CitiDirect system is a tool the CH can use throughout the month to review transactions and pre-screen them before the monthly billing cycle ends. This daily review approach will greatly reduce the CHs month end workload and will get the certified statement to the AO sooner.

Frequent monitoring of the CH account activity using CitiDirect can uncover fraudulent use of a CHs card **before** it becomes a major problem.

21. Maintain Audit Trail Of Purchases

The CH is responsible for maintaining a log of all card transactions. It can be a manual or automated log in which the CH documents individual transactions and screening for mandatory sources using the purchase card and/or convenience checks. Entries in the purchase log should be supported by internal agency documentation (i.e. request for procurement document, email request, etc.) and the activity's purchase card program IOP.

The purchase card documentation will provide an audit trail that supports the CHs decision to use the card, as well as any required special approvals that were obtained. **At a minimum, the log will contain the date the item or service was ordered, the merchant name, the dollar amount of the transaction, a description of the item or service ordered and an indication of whether the item was received.** It is also suggested that the log contain a column to indicate, by entering the date of return, whether an item was returned.

The audit trail of log entries, along with supporting documentation, will allow the CH to reconstruct the decision process that led to each purchase card acquisition.

22. Retain Records In Accordance With Government Standards

The CH is responsible for maintaining an accurate purchase log, either manually or automated, of all purchase card transactions. The exact format and content of the log is subject to the requirements of the activity's IOP.

CHs **must request copies of itemized sales receipts**, or other sales documents supporting the purchase card transaction. This may include a charge slip, cash register receipt, packing list, etc. The CH must retain documentation received from the vendor to support the proof of sale, as this will later be used to verify the transactions shown on the CHs statement. If the CH does not have transaction documentation, he/she **must include an explanation** that will need to be attached to the statement during the reconciliation process.

Purchase card transaction records must also be retained in accordance with government standards. APCs, AOs and CHs **must maintain purchase-related records** (e.g. purchase card logs, requisitions, etc) **for a minimum of 3 years** and **financial records** (e.g. invoices, statements, etc) **for 6 years and 3 months.**

DON Purchase Card Program CH CitiDirect Desk Guide

23. Maintain Physical Security Of The Purchase Card

The CH is responsible for safeguarding the physical security of the purchase card and its account information. The card bears the CHs name and **may only be used by the CH** to purchase authorized supplies or services in accordance with EBUSOPSOFFINST 4200.1A, the General Services Administration (GSA) SMARTPAY Contract GS-23F-98006, the activity's IOP and the CHs Letter of Delegation of contracting authority.

The CH **must** take care to protect not only the physical card but also to protect the vital card information. The CH needs to secure all documents that contain card numbers, expiration dates, etc.

ONLY THE CH IS AUTHORIZED TO MAKE PURCHASES WITH HIS/HER PURCHASE CARD. UNDER NO CIRCUMSTANCES IS IT ACCEPTABLE FOR THE CH TO LOAN HIS/HER CARD TO ANYONE TO MAKE PURCHASES.

24. Notify Citibank Help Desk If Card Is Lost Or Stolen

It is the CHs responsibility to secure the purchase card. If the card is stolen or lost, the CH **shall immediately contact the Citibank System Support Help Desk, the AO and APC** to report the situation. Citibank will take appropriate action to prevent the missing card from being used to defraud the United States Government.

If your card is lost or stolen, call the **Citibank System Support Help Desk** toll free at **1.800.790.7206, option 2**, or for international calls, dial collect at **904.954.7850**.

25. Notify APC Of Departure/Termination Of Need Of Card Account

The ongoing integrity of the DON Purchase Card Program requires constant vigilance and maintenance. New accounts need to be created for new personnel and the accounts of personnel leaving an activity need to be canceled.

It is the responsibility of the cardholder to notify his/her AO and APC of pending departure from the activity or cardholder duties and the date from which they will no longer need the government purchase card.

THIS INFORMATION SHOULD BE COMMUNICATED AS SOON AS IT IS KNOWN.

Section III: Appendices

A. Definitions

Accountable Official: DOD military members and civilian personnel, who are designated in writing and are not otherwise accountable under applicable law, who provided source information, data or service (such as a receiving official, a cardholder, and an automated information system administrator) to a certifying or disbursing officer in support of the payment process. They have pecuniary liability for erroneous payments resulting from their negligent actions.

Accountable Property: A term used to identify property recorded in a formal property management or accounting system. Accountable Property includes all property purchased, leased (capital leases), or otherwise obtained, having a unit acquisition cost of \$5,000 or more (land, regardless of cost), and items that are sensitive, or classified. Additional and/or separate records or other record keeping instruments shall be established for management purposes, or when otherwise required by law, policy, regulation, or Agency direction, including, but not limited to pilferable items (Items that have a ready resale value or application to personal possession and which are, therefore, especially subject to theft).

Agency Program Coordinator (APC): An individual designated by the ordering agency/organization to perform task order contract administration within the limits of delegated authority and to manage the card program for the agency/organization. This individual shall have overall responsibility for the card program(s) within their agency/organization, and may determine who participates in the card program(s). Multiple levels of program coordinators exist within different hierarchies or at different hierarchical levels within the program for each agency/organization.

Approving Official (AO): The individual responsible for reviewing and verifying the monthly purchase card statements of the card accounts under his/her purview. The AO must verify that all purchases were necessary and for official government purposes in accordance with applicable directives. Unless otherwise specified, the AO must also be the Certifying Officer for his/her cardholder(s) and in that capacity must certify the monthly billing statement and forward it to the appropriate office for payment. The certifying officer is responsible for: a) the accuracy of information stated in a voucher, supporting documents and records; b) computation of a certified voucher under sections 3528 and 3325 of title 31, United States Code; c) legality of proposed payment under the appropriation or fund involved; d) providing advice to accountable officials; e) seeking advance fiscal decisions from legal counsel; and f) repaying a payment that is determined 1) illegal, improper, or incorrect because of an inaccurate or misleading certificate; 2) to be prohibited by law; 3) does not represent a legal obligation under the appropriation or fund involved.

Billing Cycle: The billing cycle consists of approximately a 30-day billing period. Each monthly bill will be comprised of transactions (debits and credits) that post to the banks' system during this period. For DON the billing cycle begins on the 22nd of the month and ends on the 21st of the subsequent month. Cycle ends only occur on a business day (i.e. Monday through Friday) and as

DON Purchase Card Program Appendices Desk Guide

a result may adjust accordingly. The cycle end date will occur on the last business day of the normal cycle.

Billing Cycle Office (Credit) Limit: An authorization control assigned to each approving official, as determined by the ordering DON activity, which limits the cumulative spending amount of all card accounts assigned to that Approving Official during a given billing cycle. Any office limit may be assigned in increments of \$100 up to \$9,999,900. The office limit primarily is used for budgetary control purposes and may be adjusted up or down at any time. It encompasses all outstanding charges within a billing period.

Billing Cycle Purchase Limit: An authorization control that limits an account's cumulative spending for purchases in a given billing cycle. This limit or the billing office limit shall be used to ensure cardholders do not exceed reserved funding (positive funds control). Any purchase limit may be assigned in increments of \$100 up to \$9,999,900. This limit may be adjusted as ordering DON activities deem appropriate and shall be established for each cardholder account. It should reflect normal usage by that cardholder and must not default to the maximum available limit.

Bulk Funding: An advance reservation of funds where a commitment or obligation is recorded in the aggregate rather than by individual transactions.

Cardholder (CH): An individual designated by an agency to be issued a card. The card bears the individual's name and can be used by that individual to pay for official purchases in compliance with agency internal procedures. Also applies to convenience check account holders.

Cardholder Statement: The statement of charges provided to a cardholder detailing all of the transactions posted to their account during a billing cycle.

Commercial Items (Supplies): Any item, other than real property, that is of a type customarily used for nongovernmental purposes and that:

- a. Has been sold, leased or licensed to the general public; or
- b. Has been offered for sale, lease or license to the general public. (A full definition can be found at FAR 2.101)

Contracting Officer: Government employees who have the authority to bind the Government to the extent of their delegated purchasing authority. Purchase cardholders are provided that authority by their commanding officer or APC in writing by the issuance of a Letter of Delegation or SF 1402 Contracting Officer's Warrant.

Convenience Checks: Third party drafts issued using government purchase card account. Third party drafts may be used to acquire and to pay for supplies or services. Policies and regulations concerning the establishment of and accounting third party drafts, including the responsibilities of designated cashiers and alternates, are contained in Part IV of the Treasury Financial Manual for Guidance of Departments and Agencies, Title 7 of the General Accounting Office Policy and Procedures Manual for Guidance of Federal Agencies, and the agency implementing regulations. FAR 13.305 applies and the Department of Defense guidance is contained in the DOD Financial Management Regulation, Volume 5, Chapter 2, paragraph 0210.

DON Purchase Card Program Appendices Desk Guide

Critical Application Item (CAI): An item that is identified by the military services as essential to weapon system performance or operation, or the preservation of life or safety of operating personnel.

Critical Safety Item (CSI): A part, assembly, installation or production system with one or more critical or critical safety characteristics, that, if missing or not conforming to the design data, quality requirements or overhaul and maintenance documentation, would result in an unsafe condition that could cause loss or serious damage to the end item or major components, loss of control, uncommanded engine shutdown or serious injury or death to personnel. Unsafe conditions relate to hazard severity categories I and II of MIL-STD-882, System Safety Requirements. CSAs are subsets of CAIs and include items determined to be “life-limited,” “fracture critical,” “fatigue-sensitive”, etc. The determining factor in CSI classification is the consequence of failure, not the probability that failure or consequence would occur.

Delegation of Contracting Authority: A document, issued by authorized agency personnel, that establishes the individual as an authorized cardholder. This delegation of contracting authority shall specify spending and usage limitations unique to the cardholder. Each activity, in its internal procedures, must designate who shall be responsible for issuance of these delegations. This delegation must come down from the Head of the Contracting Activity.

Disputes: Instances where transactions on the cardholder's statement do not agree with entries in the log or retained receipts that are presented to the bank for resolution. This may include circumstances where the cardholder did not make the transaction, the amount of the transaction is incorrect or the quality or service is an issue.

Government Purchase Card: The purchase card is the charge card account established with the issuing bank that enables properly authorized government personnel to buy and pay for supplies and services in support of official government business.

Hazardous Materials (HAZMAT): Hazardous materials or products that are customarily sold to the general public to be used for non-governmental purposes (commercial products) which are in the same size and packaging found commercially and subject to procedures found later in this instruction. Examples of those materials or products include those required on a routine basis to meet daily operational needs, such as, lubricants, batteries, toner cartridges, detergents, etc.

Head of Activity (HA): For the purposes of this instruction, the HA is the military officer in command or the civilian executive in charge of the mission of a DON command or activity which has been granted contracting authority by the cognizant HCA. The HA has overall responsibility for managing the delegation and use of this authority by personnel under his/her command.

Head of Contracting Activity (HCA): The official at one of the 23 DON components listed at DFARS 202.101 and NAPS 5202.101 (e.g. COMNAVSUPSYSCOM, COMNAVAIRSYSCOM, etc.) who has overall responsibility for managing contracting authority within his/her contracting chain of command. They are responsible for the delegation, re-delegation and use of contracting authority including use of the purchase card by DON commands, DON activities and DON personnel under his/her contracting cognizance.

Invoice: The monthly invoice is the official billing invoice for payment purposes, which is provided to the Certifying Officer by the issuing bank. The invoice identifies all of the purchase card

DON Purchase Card Program Appendices Desk Guide

transactions of his/her cardholders during a billing cycle. The invoice can be paper based or presented through the Electronic Access System of the issuing bank.

Letters of Agreement (LOAs): A streamlined procedure for procuring commercial supplies between \$2,500 and \$25,000, based on using oral solicitations, placing oral orders and paying for the oral orders using the purchase card. LOAs shall not be established for the procurement of services.

Merchant Category Code (MCC): A code used by the issuing bank to categorize each merchant according to the type of business the merchant is engaged in and the kinds of goods and services provided. These codes are used as an authorized transaction type code on a card/account to identify those types of businesses who provide goods and/or services that are authorized for use by the cardholder.

Micro-Purchase: An acquisition of supplies or services, the aggregate amount of which does not exceed \$2,500, (except construction which is limited to \$2,000). FAR Part 2.101.

Pecuniary Liability: Personal financial liability for fiscal irregularities of disbursing and certifying officers and accountable officials as an incentive to guard against errors and theft by others, and also to protect the government against errors and dishonesty by the officers themselves.

Pilferable Personal Property Items: Items that have a ready resale value or application to personal possession and that are, therefore, especially subject to theft.

Pilferable Property: Portable items that could easily be converted to personal use and are (1) critical to fulfilling the activity's mission/business objective and (2) hard to repair or replace.

Purchase Card Log: A manual or automated log in which the cardholder documents individual transactions and screening for mandatory sources using the purchase card and/or convenience checks. Entries in the purchase log may be supported by internal agency documentation (i.e. request for procurement document, email request, etc.). The purchase card documentation should provide an audit trail supporting the decision to use the card and any required special approvals that were obtained. At a minimum, the log will contain the date the item or service was ordered, the merchant name, the dollar amount of the transaction, a description of the item or service ordered and an indication on whether or not the item was received.

Reconciliation: The process by which the cardholder and AO review the monthly statements, reconcile against available vendor receipts and purchase card log and authorize payment of those charges provided on the monthly billing/cardholder statements.

Review Official: An individual, appointed by the head of the activity (or their designees), who is responsible for pre and post payment reviews of payments certified by the certifying officer. The review official shall not concurrently serve as an accountable, certifying or disbursing official.

Services: For the purposes of this instruction, services are firm-fixed priced (including unpriced orders with an established ceiling), non-personal, commercially available requirements in which the Government directly engages the time and effort of a contractor to perform a task (e.g. repairs, maintenance, annual maintenance agreements, etc.).

DON Purchase Card Program Appendices Desk Guide

Simplified Acquisition Threshold: The upper level at which an acquisition may use simplified acquisition rules, currently \$100,000, except that in the case of any contract to be awarded and performed, or purchase to be made, outside the United States in support of a contingency operation (as defined in 10 U.S.C.101 (a)(13)) or a humanitarian or peacekeeping operation (as defined in 10 U.S.C.2302 (8) and 41 U.S.C. 259(d)), the term means \$200,000. FAR 2.101.

Single Purchase Limit: A dollar limit on each purchase assigned to each cardholder for a single transaction.

Split Purchase: The "requirement" is the quantity known at the time of the buy. If an individual purchases as [s] he becomes aware of a requirement, the requirement is each. If the requirements are consolidated and purchases are made once a day, the requirement becomes what was received during the day.

If an individual has historically purchased as things became known to them, even if they have the same thing ordered twice in one day from the same vendor, that does not have to be splitting. Splitting is the "intentional" breaking down of a known requirement to stay within a threshold (i.e. the \$2,500 micro-purchase threshold) or to avoid having to send the requirement to the contracting officer.

Tax Exempt: The elimination of state and local taxes from federal purchases in accordance with state and federal law. The phrase "U.S. Government Tax Exempt" is printed on the front of each purchase card.

Transaction Type: The transaction type is the method by which an order is placed when using the purchase card. Purchase card buys may be made over-the-counter, over-the-phone or via the Internet.

United States: As used in this document, means the 50 States and the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, Wake Island, Johnston Island, Canton Island, the outer Continental Shelf lands, and any other place subject to the jurisdiction of the United States (but not including leased bases).

B. Commanding Officers Top Ten Purchase Card Management Tips

- a. Appoint an APC of appropriate grade/rank, motivation and people skills.
- b. Ensure that the number of purchase cards and billing accounts reflects the government's minimum need.
- c. Review specific credit limits and spending history of accounts to ensure consistency with mission requirements.
- d. Take appropriate administrative and disciplinary action when fraudulent, improper, and/or abusive purchase card transactions are found.
- e. Ensure that the span of control for each AO is 7 or less purchase cardholder accounts.
- f. Review existing weekly delinquency reports with your APC.
- g. Ensure that:
 - 1) ALL CHs, AOs, and APCs have received the required training in accordance with DOD/DON policy and procedures;
 - 2) The training is properly documented and the training certificates are maintained on file; and,
 - 3) ANY CH or AO who has not completed the required basic or biennial refresher training, with the exception of those individuals deployed at sea, shall have his/her account immediately suspended.
- h. Enforce the requirement for proper separation of the purchasing, receipt, and acceptance functions and maintain documented evidence. See EBUSOPSOFFINST 4200.1A.
- i. Maintain documented evidence of proper certification of monthly purchase card statements by CHs and AOs.
- j. Make effective use of available tools.

C. Exceptions To Use Of The Purchase Card (DFARS 213.270)

1. The following requirements are exempt from the mandatory use of the purchase card for micro-purchases for procurements or payments.
 - a. The place of performance is entirely outside any of the State, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.
 - b. The purchase is a Standard Form (SF) 44 purchase for aviation fuel and oil.
 - c. The purchase is an overseas transaction by a contracting officer in support of a contingency operation as defined in 10 U.S.C. 101(a)(13) or humanitarian or peacekeeping operation as defined in 10 U.S.C. 2302(8)
 - d. The purchase is for training exercises in preparation for overseas contingency, humanitarian or peacekeeping operations.
 - e. The payment is made with a convenience check
 - f. The payment is for a transportation bill
 - g. The purchase is under a Federal Supply Schedule contract that does not permit the use of the purchase card
 - h. The purchase is for medical services and:
 - 1) It involves a controlled substance or narcotic
 - 2) It requires the submission of a Health Care Summary Record
 - 3) The ultimate price of the medical care is subject to an independent determination that changes the price based on application of a mandatory CHAMPUS Maximum Allowable Charge determination that reduces the Government liability below the billed charges.
 - 4) The Government already has entered into a contract to pay for the services without the use of the purchase card.
 - 5) The purchase is a beneficiary seeking medical care; or
 - 6) The senior local commander or director of a hospital or laboratory determines that use of the purchase card is not appropriate or cost-effective.

The Medical Prime Vendor Program and the DOD Medical Catalog Program are two examples where the use of the purchase card may not be cost-effective.

E. Sample Letter of Delegation

(Commanding Officers and/or APCs should use this letter to delegate contracting or purchase card authority to purchase cardholder.)

From: Commanding Officer/APC
To: John Doe

Subj: DELEGATION OF AUTHORITY TO USE PURCHASE CARD

Ref: (a) Federal Acquisition Regulation (FAR) 1.6
(b) Defense Federal Acquisition Regulation (DFAR) 201.6
(c) EBUSOPSOFFINST 4200.1A

1. In accordance with references (a) through (c), you are hereby appointed a contracting officer for the United States of America, limited to the use of the Government Purchase Card. The specific limits of your authority are established below. You may use your card as a procurement method or as a method of payment in accordance with reference (c), up to your single purchase limit. You are reminded that you are personally accountable for strict adherence to DON Purchase Card policies and procedures when using the card.

a. Dollar Thresholds:
- \$2,500 single purchase limit
- \$XXX monthly purchase limit

b. Authorized purchases are (include appropriate categories):
- Stand-alone procurement method.
- Method of payment against contract documents issued by a contracting officer.
- Oral orders against Government contracts, such as IDIQs, GSA, Schedules/GSA Advantage, JWOD, etc.
- DAPS
- Blanket Purchase Agreements / LOA
- Purchase of Training (DD1556)

c. Purchase restrictions (if any): (i.e., purchase cardholder cannot use purchase card over the Internet or over the counter)

1) Merchant Category Code Blocks (if any).

2. The purchase card shall only be used for authorized U.S. Government purchases. Intentional use of the purchase card for other than official government business will be considered an attempt to commit fraud against the US Government and may result in immediate cancellation of an individuals purchase card and further disciplinary action. The cardholder will be held personally liable to the Government for the amount of any non-government transactions. Under 18 U.S.C. 287, misuse of the purchase card could result in a fine of not more than \$10,000 or imprisonment for not more than five years or both. Military members that misuse the purchase card may be subject to court martial under 10 U.S.C. 932, UCMJ Article 132.

3. Questions concerning your delegation of authority or purchase card account should be directed to the Command Agency Program Coordinator, Mr/Mrs/Ms John/Jane Smith, who can be reached at 888.555.1212.

Signed by Commanding Officer

 - b. Knowledge of contracting policy and procedures, including the Federal Acquisition Regulation (FAR) and its supplements.
 - c. Knowledge of financial policy and procedures, including the DOD Financial Management Regulation (FMR).
 - d. Ratio of card accounts to AO is within 'span of control' (7 card accounts to 1 AO).
3. Purchase Card Cardholder.
 - a. Properly trained Military or Federal civilian personnel.
 - b. Requires the purchase card for mission essential requirements.
 - c. Appointment does not cause AO to exceed 'span of control'.
 - d. Cardholder's AO will be in his/her direct chain of command.
 - e. Command anticipates that cardholder will require regular card usage.

DON Purchase Card Program Appendices Desk Guide

G. Training Requirements

All DON Government Commercial Purchase Card (GCPC) Program participants are required to complete two mandatory government purchase card courses. Some program participants are required to complete additional courses as explained below. The two mandatory courses are:

- a. The *DON eBusiness Purchase Card Training* course appropriate to the individual's role assignment within the program. These are role specific courses available for Cardholders, Approving Officials, Agency Program Coordinators and Heads Of Activity. The courses are also organized by electronic certification system – CitiDirect or WinSALTS. Each purchase card program participant is required to take the course appropriate as defined by his or her role within the program. This training is DON mandated for all DON GCPC participants.
- b. The Defense Acquisition University Continuous Learning Center (DAU CLC) *Government Purchase Card Tutorial* available at the DAU CLC website at <http://clc.dau.mil>. This course is DoD mandated training for all DoD GCPC participants.

These courses must be completed prior to appointment. The appropriate DON eBusiness Purchase Card Training course must be repeated as refresher training every two years. The DAU CLC Government Purchase Card Tutorial is a "once and done" requirement and does not need to be repeated as refresher training.

Additional training is required for DON GCPC cardholders who are delegated use of the purchase card via SF 1402 (Certificate of Appointment). These individuals must complete the following course:

- c. The *Simplified Acquisition Procedures (SAP)* course, CON 237, available on-line through the DAU website at www.dau.mil.

DON GCPC cardholders who have completed CON 101, Contracting Fundamentals, or CON 202, Intermediate Contracting since 1997 are exempt from the requirement to take CON 237.

Annual ethics training is required for the following DON GCPC participants:

- a. All Approving Officials (AO); these individuals are required to complete the Form OGE 450, Office of Government Ethics Confidential Financial Disclosure Report,
- b. All Cardholders (CH) who purchase in excess of \$100,000 (these individuals are required to complete the Form OGE 450).

DON GCPC participants required to take annual ethics training should check with their local Office of General Counsel for training availability.

DON Purchase Card Program Appendices Desk Guide

All documentation of successful completion of the training listed in a.1, a.2 and a.3 must be retained by the individuals taking the training and their immediate Agency Program Coordinators for the duration of their appointment as a DON GCPC participant.

Refer to Appendix L of this desk guide for contact and availability information about these courses

DON Purchase Card Program Appendices Desk Guide

LIST OF PROHIBITED AND SPECIAL ATTENTION ITEMS RELATED TO PURCHASE CARD BUYS

This information applies to Department of the Navy Agency Program coordinators, approving officials and purchase cardholders with established purchase card programs. For a full explanation, and/or background information on prohibitions referenced in this appendix, refer to the NAVSUPINST 4200.85 (series), enclosure (1). Not all of the prohibitions found in this appendix require special approvals. Some may be procured using traditional purchase methods (e.g. purchase orders, BPA calls, etc) and paid for using the purchase card. Detailed procedures for using the purchase card as a method of payment may be found in the purchase card desk guide.

Advance Payments

General rule: Except for requirements such as subscriptions for publications (i.e. Navy Times, Federal Contracts Reporter, Commercial Clearing House Inc, etc.) and post office box rentals advance payments are prohibited.

Advertising

General rule: Unless specific approvals have been obtained advertising contract actions are not authorized in accordance with the Navy Acquisition Procedures Supplement (NAPS).

Exception: The Chief of Naval Personnel has authorized an increase from \$1,000 to \$2,500 for the specific media advertising purchase limit for Commanding Officers of Navy Recruiting Districts to commensurate with the current micro-purchase threshold. This authority cannot be re-delegated and each advertisement is conditioned upon the use of a properly executed DD Form 1535.

Asbestos and Asbestos-Containing Materials

General rule: Purchase cardholders are not authorized to purchase asbestos or asbestos-containing materials.

Black Oxide Coated Brass Threaded Fasteners

General rule: Purchase cardholders are not authorized to procure brass or copper alloy fasteners coated with black oxide.

Buildings and/or Land, Long-Term Rental or Lease of

General rule: Purchase cardholders are prohibited from entering into long-term rentals or leases for buildings and/or land.

DON Purchase Card Program Appendices Desk Guide

Business Cards

General rule: Flag Officers, member of the SES and general officers may authorize the printing of business cards limited to using existing software and agency-purchased stock for those positions that require business cards in the performance of official duties.

Cash Advances

General rule: Purchase cardholders are prohibited from using their purchase cards to obtain cash advances.

Christmas and Other Seasonal Decorations.

General rule: Seasonal decorations may be acquired using the purchase card provided local customs and traditions are observed. Purchase cardholders are not authorized to buy Christmas cards.

Coffee Pots, Coffee, Refreshments

General rule: Unless the purchase of coffee pots, coffee, or refreshments is for an authorized mess, as defined in NAVSUP Publication 486 Vol-1, Chapter 1 and BUPERINST 1710.11C the purchase of these items are prohibited. Purchase cardholders are also prohibited from buying refreshments for other government employees.

Exceptions: The use of Official Representation Funds for official entertainment and Center of Influence events involving Navy recruiters are exceptions to this rule. In addition, Navy recruiters are authorized to use the purchase card to buy meals for recruiting applicants as an out of pocket expense.

Agencies sponsoring a conference are allowed to provide light refreshments during morning, afternoon or evening breaks for conference attendees when a majority of the attendees are in a travel status. Travel within an employee's local commuting area does NOT satisfy the requirement to be in a 'travel status'. Light refreshments may be approved by the command sponsoring the conference if they decide it is appropriate use of their funds. The Government Purchase Card can be used to pay for the refreshments. Use of the card and funding for this purpose is subject to local Command approval. Card officials should ensure acceptability within their own command prior to using the card for this purpose.

Commercial Vehicles, Purchase of

General rule: Purchase cardholders shall not use their cards to purchase commercial vehicles.

Commercial or GSA Vehicles, RENTAL/LEASE of (Without Drivers)

General rule: Purchase cardholders are not authorized to use their purchase cards to rent/lease commercial or GSA vehicles.

DON Purchase Card Program Appendices Desk Guide

Employee Identification Tags

General rule: Unless the requiring activity/command determines that use of the identification tags are necessary and in support of mission requirements, activities may not use appropriated funds to purchase employee identification tags.

Fireworks Display

General rule: Purchase cardholders may not use appropriated funds to buy fireworks.

Fuel, Oil, Services, Maintenance and Repairs

General rule: Purchase cardholders are not authorized to purchase fuel, oil, services, maintenance and repairs of Interagency Fleet Management System and GSA Fleet Management Programs (i.e. repair of GSA leased vehicles).

HAZMAT and Hazardous Waste Disposal

General rule: Except for commonly used hazardous material the purchase of HAZMAT by cardholders is prohibited.

Incentive Music and Equipment

General rule: Except for specifically programmed music, the purchase of music and equipment for broadcasting (inc. radios, automatic record players or phonographic records) for entertainment purposes is generally not authorized.

Exception: Specifically programmed music may be purchased based on a written determination by the commanding officer describing how the acquisition would improve morale, benefit the command, etc., and thereby qualify as a necessary expense under the necessary expense rules. This prohibition also does not preclude the expenditure of appropriated funds for the purchase of a public address system required for intra-station communication.

Lodging and Meals

General rule: Purchase cardholders are prohibited from using their purchase cards for the payment of lodging and meals for employees on temporary duty.

Exception: Certain reserve activities are authorized to buy meals for Naval reservists during drill activities.

Luggage

General rule: The purchase of luggage for employees/service members to carry personal belongings while on travel orders is generally not authorized.

Exception: Sea bags issued to service members and briefcases, etc., furnished for the express purpose of carrying official documents associated with the duties of the service member or employee.

DON Purchase Card Program Appendices Desk Guide

Medical and Dental Care From Civilian Non-Federal Sources

General rule: Purchase cardholders shall not use their cards for payment of medical and dental services.

Membership Dues

General rule: Except for membership dues, which solely benefit the agency or activity the purchase of club, association, organization and other related memberships, are prohibited.

Exception: The use of appropriated funds for membership dues of an activity or agency is permissible if the membership contributes to the fulfillment of the mission of the activity or agency.

Ozone Depleting Substances (ODS)

General rule: Purchase cardholders are not authorized to purchase ODS materials.

Exception: Contracting officers may use their purchase card as a method of payment provided guidance in the NAPS is strictly adhered to.

Personal Services

General rule: Unless you have statutory authority purchase cardholders should not contract for personal services using the purchase card.

Pesticides

General rule: Unless prior approvals are obtained from cognizant Pest Management Consultant at the appropriate NAVFAC or BUMED division, purchase cardholders are not authorized to contract for purchase of pesticides.

Plaques, Ashtrays, Paperweights and other Mementos As Give-Away Items

General rule: The use of appropriated funds to buy give-away items such as plaques, cuff links, hats, T-shirts, license plate covers, bracelets, ashtrays, Christmas cards, paper-weights, cigarette lighters, novelty trash cans, key chains and similar items are generally prohibited.

Exception: The purchase of give-away items in support of employee recognition programs may be authorized if accomplished in accordance with agency policy.

Printing and Duplication

General rule: Purchase cardholders are prohibited from buying printing or duplication services from agencies other than DAPS.

DON Purchase Card Program Appendices Desk Guide

Purchase from Government Employees or Businesses Owned or Controlled By Government Employees

General rule: Purchases from government employees (military or civilian) or from business organizations substantially owned or controlled by government employees are generally prohibited.

Reprographic Equipment

General rule: The purchase/lease/rental/trial/replacement or change in rental or lease plan of reprographic equipment is not authorized unless the requestor has complied with the requirements of the Navy Reprographic Equipment Program. The requestor must obtain written approval from the cognizant DAPS for all shore copying equipment with speeds of 71 or more copies per minute. (Examples of reprographic equipment are; copiers and high-speed copiers, Diazo process equipment, laser printers, and duplicating equipment).

Sensitive Compartmented Information In Contracts

General rule: Purchase cardholders are not authorized to enter into negotiations that will include requirements for contractor access to Sensitive Compartmented Information unless the customer has staffed the requirement through Commander, Office of Naval Intelligence, Code ONI-532.

Shipboard Habitability Equipment, Including Furniture, Laundry/Dry Cleaning and Food Service Equipment

General rule: Except for furniture, laundry, dry cleaning, and food service equipment listed in the following catalogs are prohibited.

Furniture equipment – S9600-AD-GTP-010, U.S. Navy Shipboard Furniture Catalog with applicable changes.

Laundry/dry cleaning equipment – S6152-B1-CAT-010, Navy Laundry and Dry Cleaning Catalog with applicable changes.

Food service equipment – S6161-Q5-CAT-010, The Shipboard Food Service Equipment Catalog with applicable changes.

Transportation, Purchase of

General rule: DON purchase cardholders are not authorized to use their card to ship logistics items or pay for cargo shipments except for emergency shipments where the activity or base transportation officer is not available. The GSA Express Small Package Contract now authorizes the use of the card to ship items using the FedEx contract when shipping administrative small packages under 150 pounds.

Travel, or Travel Related Expenses

General rule: The purchase card cannot be used to pay for government employee travel or travel related expenses (i.e. expenses associated with official travel including transportation, lodging, or meals).

DON Purchase Card Program Appendices Desk Guide

Uniform Items

General rule: Cardholders are not authorized to use appropriated funds to purchase uniform items.

Visual Information (VI) Equipment

General rule: VI production equipment may not be provided to, acquired for, or used by, non-VI activities or personnel (See Definitions). Requests for VI equipment that exceed the dollar thresholds listed below, must be forwarded to the appropriate Major Claimant Visual Information Management Office (MCVIMO) for approval. The MCVIMO must certify that acquisitions are in accordance with activity authorizations prescribed by OPNAVINST 3104.1 and 3104.2.

Requests for VI equipment that support VI functions that are not authorized for the activity can not be approved at MCVIMO or local levels and must be held pending N09C1 approval of the new function.

Non-VI activities or personnel may acquire non-production VI equipment, unless otherwise specified by local VI instructions or when restricted by local credit card dollar call limitations, non-professional consumer type VI equipment such as 35mm film based photographic camera systems costing less than \$1,000; overhead, slide, filmstrip, and motion picture projection equipment costing less than \$5,000; audio and video recorder players costing less than \$5,000; video cameras and camera-recorders costing less than \$5,000; digital photographic cameras costing less than \$5,000; digital photographic printers costing less than \$10,000; and, video, LCD, LED, and CRT projectors costing less than \$10,000.

For VI equipment policy and MCVIMO information, contact: CNO (N09C1) VI Equipment and Activities Policy Officer at (202) 433-3790; DSN 288.

Exceptions: The following types of equipment are exempt.

1. VI equipment:
 - a. Acquired and distributed by the Navy Exchange;
 - b. Embedded in non-VI systems, which cannot be separated or operated to perform a VI function outside the system;
 - c. Purchased with non-appropriated or morale welfare recreational funds including entertainment systems;
 - d. Used solely to support research, development, test and evaluation (RDT&E) programmed mission requirements;
 - e. Procured by the Naval Media Center in support of Armed Forces Radio and Television activities and "Navy and Marine Corps News This Week;"
 - f. Used by administrative and security offices only for identification (ID) purposes;
 - g. Dedicated to Pilot Landing Training (PLAT) System, secure flight crew briefing systems and meteorological information systems;
 - h. Acquired under the Ship Building and Conversion, Navy (SCN) program; or,
 - i. VI equipment acquired for Video Teleconferencing (VTC) activities managed per OPNAVINST 2015.1
2. Timing and synchronization apparatus related to instrumentation recording.

**DON Purchase Card Program
Appendices Desk Guide**

3. Radiographic equipment (industrial, medical and dental (x-rays)).
4. Office-related support equipment including: word processing equipment; transcribing and intercom equipment; telephone answering devices; xerographic equipment; and microform production and using (viewing and printing) equipment.

Definitions:

VI Equipment

- a. Production. Items used for the recording, producing, reproducing, processing, broadcasting, editing, distribution, exhibiting, and storing of VI. Includes professional still, motion picture and video cameras; editing equipment, telecine equipment, audiotape and cassette duplicators; computer generated graphics systems; film and paper processing equipment photographic printers.
- b. Non-production. Items used to maintain, repair, store, retrieve, exhibit or otherwise provide for the use of VI products. Includes videotape/disc players and television monitors; interactive video equipment; and, slide, film strip, motion picture, overhead, opaque and video projectors.

VI Activity. An organizational element or a function within an organization in which one or more individuals are classified as VI, or whose principal responsibility is to provide VI services. Navy VI activities are further identified by a Defense Visual Information Activity Numbers (DVIAN).

Shipboard Digital Photo Lab (DPL)

General rule: Per OPNAVINST 3104.1, the Program Executive Officer, Tactical Aircraft Program (PEOT (PMA-241)) in conjunction with Chief of Naval Operations (CNO (N09C1)), provides centralized VI equipment acquisition management for centrally procured aircraft carrier (CV/CVN) DPL equipment and systems. Local Acquisition of equipment for, or reconfiguration of, shipboard DPL is prohibited without CNO (N09C1) and PEOT (PMA-241) approval.

For questions regarding this policy, contact: CNO (N09C1) VI Equipment and Activities Policy Officer at (202) 433-3790; DSN 288.

Visual Information-Audiovisual (VI-AV) production including interactive video acquisition

General rule: Per OPNAVINST 3104.1 and its implementing instructions, the Naval Media Center (NMC) is the single contracting activity within the DON authorized to procure VI-AV productions. All requests for contracting for VI-AV productions, except as excluded below, must be forwarded to the Chief of Naval Operations (N09C1) via the appropriate Major Claimant Visual Information Management Office (MCVIMO) for approval and or assignment.

For questions regarding this policy, contact: CNO (N09C1) VI/AV Production Policy Officer at (202) 433-3714; DSN 288.

DON Purchase Card Program Appendices Desk Guide

Exceptions: The following are exempt from the DoD VI production reporting requirements (Visual Information Production Request and Report, DD 1995 and the search of the Defense Automated Visual Information System (DAVIS) products.

- a. Mixed media packages with a predominance of text;
- b. Television spot announcements, public service announcements, news clips, and information programs funded by Armed Forces Radio and Television Service (AFRTS);
- c. The Navy Broadcasting Department of the Naval Media Center;
- d. Activities engaged in or supporting research, development, test and evaluation;
- e. The Navy Exchange;
- f. Productions acquired from commercial sources by or for;
 - 1) DoD dependent schools.
 - 2) Morale, welfare, and recreation (MWR) activities.
 - 3) Education centers.
 - 4) Non-VI libraries controlled by SECNAVINST 5401.2 (NOTAL).
- g. Productions funded and reported as an integral part of a recruiting advertising contract; or,
- h. Interactive courseware acquired under OPNAVINST 1500.73.

Commercial Off-The-Shelf Visual Information-Audiovisual (VI-AV) production acquisition

General rule: Commercial off-the-shelf VI productions that support local, major claimant or Navy-wide requirements do not require a completed DD 1995 and may be purchased without MCVIMO or CNO (N09C1) validation. However, a DAVIS search is required to ensure that completed Navy or other DoD VI productions that may satisfy the requirements do not already exist. The DAVIS can be accessed via the Internet at <http://dodimagery.afis.osd.mil>.

Definitions (OPNAVINST 3104.1):

Commercial VI Production. A completed VI production that is purchased off-the-shelf, i.e., from the stocks of a vendor.

VI Production. The process of combining or arranging any separate audio or visual product(s) in continuity in a self-contained, complete presentation that is developed according to a plan or script for conveying information to, or communicating with, an audience. A VI product is also the end item of the production process. The special kind of VI production that combines motion media with sound is further defined as "AV production." Used collectively, VI production refers to the functions of procurement, production, or adoption from all sources; i.e., in-house or contract production, off-the-shelf purchase, or adoption from another Federal agency.

Withdrawal of Tax-free Ethyl and Specifically Denatured Alcohol

General rule: The purchase of tax-free ethyl and specifically denatured alcohol is not authorized unless a permit from the Bureau of Alcohol, Tobacco and Firearms has been issued.

J. Business Case Analysis (BCA) Requirements

1. Department of Navy (DON) activities using Electronic Commerce/Electronic Data Interchange (EC/EDI) systems that result in a more cost-effective payment process than the purchase card are required to develop and submit a BCA for each system. The BCA shall compare the benefits and costs of the current system versus the use of the purchase card as a payment method. The following elements must be addressed.
 - a. Description. A description of the current process and how the process could work using the purchase card;
 - b. Evaluation and Analysis. An evaluation and analysis of current versus potential processes, including:
 - 1) Assumptions
 - 2) Methodology
 - 3) Results

The analysis should look at not only the direct costs of the process but also indirect costs/savings as it relates to the Defense Finance Accounting Service (DFAS), contracting and other departments, etc. Non-monetary costs/benefits such as security concerns, data capture, etc. should be included in the analysis.
 - c. Conclusion and Recommendation. The conclusion and recommendation must include an executive level summary.
2. BCA Submittal/Approval Process. DON activities using an EC/EDI system that result in a more cost-effective process must forward their BCA to the following address:

DON eBusiness Operations Office, Code 00e
P.O. Box 2050
5450 Carlisle Pike
Mechanicsburg, PA 17055-0891

NAVSUP reviews and will forward with an endorsement via the Director of DFAS to the Deputy Secretary of Defense.
3. Waiver Requirements. DON activities must request a waiver for any operational requirement that precludes full implementation of the purchase card. Submittals must include a point of contact, telephone number, description of operational requirement(s) and a complete assessment of the inability to use the purchase card. **ALL** waiver requests must be forwarded to the address above.

**DON Purchase Card Program
Appendices Desk Guide**

K. Transportation Considerations

1. General.
 - a. When purchasing material from commercial vendors using the Purchase Card, cardholders must ensure that external labeling requirements are clearly conveyed to the vendor. In some instances, cardholders may request that material be shipped to either CONUS or OCONUS locations. Additionally, items that are purchased from non-local vendors or via the Internet may require shipping to the cardholder or other ultimate destination. In order to ensure that items and material purchased using the purchase card are properly routed through the Defense Transportation System or through the local receiving activity, the external shipping information must be sufficiently detailed and in accordance with standard DoD shipping guidelines.
 - b. This section provides the purchase cardholder with:
 - 1) Shipping services available from GSA using the purchase card
 - 2) general labeling guidance
 - 3) other standard shipping references for more detailed information.
 - c. In all cases the purchase cardholder should contact their local Transportation Officer (TO) for detailed assistance.
 - d. Transportation Terms
 - 1) Free-on-Board (FOB) Destination. FOB destination means the vendor pays the cost of transportation and includes it in the cost of the item. Cardholders should attempt to obtain FOB destination shipment terms.
 - 2) FOB Port of Embarkation. FOB Port of Embarkation (POE) means the vendor pays the cost of transportation to the Defense Transportation Regulation (DTR) Aerial/Water POE, or Defense Distribution Depot San Joaquin, CA (DDJC) for shipments destined OCONUS. Transportation charges from the Aerial/Water POE or DDJC to the overseas destination are paid using TAC N820.
 - 3) FOB Origin. FOB origin or pre-pay and add means the vendor bills for shipping and adds the cost as a separate line item. Cardholders should not accept FOB origin terms. In cases where the cardholders must accept FOB origin terms, any transportation charges will be paid from the procurement line of accounting.

**DON Purchase Card Program
Appendices Desk Guide**

2. CONUS Shipments.

- a. General Services Administration (GSA) Small Package Express Contract. The GSA Contract authorizes DON purchase cardholders to use their purchase card to ship items INCONUS when using the established contract carriers (Airborne, DHL Worldwide Express, Federal Express (FedEx), United Parcel Services) and to obtain the GSA negotiated contract rates when shipping administrative small packages under 150 pounds under FOB Origin terms. Administrative shipments are generally defined as shipments consisting of:

- 1) general correspondence
- 2) personnel/payroll records
- 3) laboratory samples (except for samples paid for by the Service-wide transportation (SWT) fund)
- 4) electronic storage media (computer tapes, floppy discs, videos, etc.)
- 5) blueprints
- 6) legal, financial and contracting documents.

- b. Activities wishing to establish new accounts or convert existing accounts to allow use of the purchase card must contact the contract carriers. The following is a list of the most common contract carriers:

Airborne

1.800.247.2676

<http://www.airborne.com/home/home.asp>

DHL Worldwide Express

1.800.225.5345

http://www.dhl.com/main_index.html

FedEx Government Customer Account Services

1.800.645.9424

<http://www.fedex.com/us/government/?adobj=weekendshipping&pgsrc=services>

United Parcel Services 1.800.742.5877 <http://www.ups.com/>

- c. DON purchase cardholders are not authorized to use their purchase card to ship logistics items using a bill of lading or airway bill, or pay for cargo shipments, except for emergency shipments when the activity or base Transportation Officer is not available. In those instances, the purchase card may be used to pay for logistics shipments and these purchases shall be funded with activity or command operating funds.

**DON Purchase Card Program
Appendices Desk Guide**

3. Labeling of material.
 - a. Shipping Labels. When a contractor within CONUS is shipping material, the contractor should be advised to include the following information on the shipping label:
 - 1) Complete MARK FOR (M/F) address including the cardholder's Unit Identification Code (UIC), address, and departmental name or code for which the material is being procured.
 - 2) Requisition/order number.
 - 3) Merchant's name, address, and telephone number.
 - b. Packing Slip. Additionally, a shipping document or packing slip should be included both on the outside and inside of each package with the following information:
 - 1) Merchant's name, address, and telephone number.
 - 2) Date of order.
 - 3) Requisition number/job order number.
 - 4) Date of shipment.
 - 5) Required delivery date.
 - 6) Itemized list of supplies furnished, including quantity.
 - 7) Cardholder's name, code, and telephone number.
 - 8) Complete MARK FOR (M/F) address including UIC and address of end user.
4. OCONUS Shipments to U.S. Navy Ships, Navy Mobile Units or Overseas Activities. The preferred method for the shipping of purchase card procured material overseas is the U.S. Postal Service (USPS) using the destination Fleet Post Office (FPO) address. If shipment is not made via USPS, cardholders are strongly encouraged to use the Defense Transportation System (DTS). The following information should be provided for the applicable transportation method/customer:
 - a. U.S. Postal Service (USPS). When material is being shipped via USPS, the following information should be included:
 - 1) Shipping Label:
 - a) Complete MARK FOR (M/F) address including the cardholder's UIC, FPO address, departmental name or code, and telephone number (if available) for which the material is being procured.
 - b) Requisition/order number.
 - c) Merchant's name, address, and telephone number.

**DON Purchase Card Program
Appendices Desk Guide**

- 2) Packing Slip. Additionally, a shipping document or packing slip should be included both on the outside and inside of each package with the following information:
 - a) Merchant's name, address, and telephone number.
 - b) Date of order.
 - c) Requisition number/job order number.
 - d) Date of shipment.
 - e) Required delivery date.
 - f) Itemized list of supplies furnished, including quantity.
 - g) Cardholder's name, code, and telephone number.
 - h) Complete MARK FOR (M/F) address including UIC and address of end user.
- b. Defense Transportation System (DTS) to OCONUS. Purchase cardholders shipping items OCONUS should follow guidance on packaging and labeling of OCONUS cargo moving in the Defense Transportation System (DTS) as defined by the Defense Transportation Regulation (DTR), Part II, Cargo Movement (DOD 4500.9-R), which is available electronically at <http://www.transcom.mil/J4/j4lt/dtr.html>. In addition, country specific customs clearance requirements are contained in the Foreign Clearance Guide (FCG) and the DTR, Part V, Customs. Contracting officers and purchase cardholders shall ensure that OCONUS shipments are prepared in accordance with the DTR guidance.

Purchase cardholders shall ensure that shipping instructions to the vendor, whether oral or written, contain the proper labeling, packaging, documentation and air/water clearance instructions. The contractor/supplier must be made aware of the packaging and documentation requirements for that specific item and country of final destination.

Due to the oral nature of purchase card orders, purchase cardholders should positively establish that the vendor understands and will comply with the labeling, packaging, documentation and air/water clearance requirements prior to placing the order.

All hazardous and special handling materials must be properly packaged/prepared and certified in a manner authorized for military air shipment before arrival at the military aerial port. If this is not possible, then another mode of transportation should be selected. Detailed shipping requirements for shipment of hazardous or special handling materials must be obtained from the local Transportation Officer.

**DON Purchase Card Program
Appendices Desk Guide**

- c. U.S. Navy Ships and Navy Mobile Units. If the procured item is shipped via the DTS (i.e. using the Air Mobility Command (AMC) Channel missions or scheduled sealift container services to overseas destinations) to U.S. Navy Ships and Navy Mobile Units the purchaser must:

Address the shipment using the Cargo Routing Information File (CRIF) on the web system. Purchasers must provide vendors the appropriate shipping address using the information in the CRIF on the web, which is located at:
<http://www.navtrans.navy.mil>.

This web site will provide GCPC holders with the information required to gain access to the CRIF. If GCPC holders have further questions regarding access, contact the FACTS help desk at DSN 646-5524 or commercial 757-443-5524. If you have problems, questions, or need assistance, contact the Naval Transportation Support Center (NAVTRANS) Air Clearance Authority at 757-443-5434.

- d. Overseas Shore Activities. If the procured item is shipped via the DTS (i.e. using the Air Mobility Command (AMC) Channel missions or scheduled sealift container services to overseas destinations) to Overseas Shore Activities the purchaser must provide the following information for the merchant to place on the shipping label:

- 1) Mark FOR (M/F) Address. Complete MARK FOR (M/F) address (an in-the-clear address when possible), including the cardholder's UIC, FPO address and departmental name or code of the activity for which the material is being procured.
- 2) Transportation Control Number. Transportation Control Number (TCN) (which normally consists of the procuring activity's requisition number, and three character Defense Transportation Regulation (DTR) suffix), requisition number (if not provided in TCN), and order number.
- 3) Transportation Account Code (TAC). The TAC utilized for purchase card procured material through DTS is N820, a Navy Service-Wide Transportation First Destination TAC. The use of TAC N820 is strictly limited to the movement of purchase card procured material items, from a DTR-designated Aerial or Water Port of Embarkation (APO/WPOE) or the Container Consolidation Point (CCP) at San Joaquin, CA (DDJC), to a cardholder activity when the activity is overseas, including deployed ships or mobile units. This TAC shall not be used for payment of transportation charges for domestic (including Alaska, Hawaii or Puerto Rico) shipments. The funding account paying for the purchase will pay for any associated transportation charge that has been added by the vendor. Its use is strictly limited to the movement of a purchase card procured item, from a DTR-designated APOE/WPOE or DDJC, to a cardholder activity when the activity is overseas including deployed ships and mobile units. It shall NOT be used for payment of transportation charges for domestic (including Alaska, Hawaii and Puerto Rico) shipments.

**DON Purchase Card Program
Appendices Desk Guide**

- 4) Transportation Priority (TP) and Required Delivery Date (RDD). TP1 or TP2 are for air shipments via AMC and TP3 is for surface (water) shipments. If the RDD is not cited in a TP1 or TP2 shipment, the material will be diverted to surface (water) carrier in accordance with DTR policy. An appropriate three digit Julian date or DTR RDD for the coinciding TP is to be used (i.e. TP1/999, TP1/NO5, TP2/777, etc.).
- 5) Shipping Labels. The shipping label should also include:
- a) Consignee and SHIP TO address (DTS transshipment point).
 - b) Merchant's name, address, and telephone number.
- 6) East Coast DTS Port of Embarkation. For material entering a DTS Port of Embarkation (POE) on the east coast (i.e. Norfolk Naval Air Terminal or Norfolk Water Freight Terminal), consign and label as follows:

SHIP TO: N45750
VREP Contractor
TCN/TAC/TP/RDD/ M/F UIC*
8449 Air Cargo Road, Bldg LP-117
Naval Air Station
Norfolk, Virginia 23511-4496

*Example: N60514-8330-0100XXX/N820/TP2/777/N60514

- 7) West Coast DTS Port of Embarkation. For material entering a DTS POE on the west coast, consign and label as follows:

SHIP TO: SW3225
Defense Distribution Depot San Joaquin (DDJC)
TCN/TAC/TP/RDD/ M/F UIC
CCP Warehouse 30
25600 South Chrisman Road
Tracy, CA 95376-5000

**Example: N68047-8330-0100XXX/N820/TP2/777/N68047

For all TP1/TP2 material and any items that may require special handling, (e.g. temperature controlled or signature service), contact NAVTRANS at 757-443-5434 or DSN 646-5434 for shipping, air clearance, and routing information.

Advance notification of the information contained in paragraph 4 above should be forwarded via Naval message, fax, or email by the cardholder to the appropriate transshipment point to ensure proper routing upon material receipt and to preclude frustration of material.

**DON Purchase Card Program
Appendices Desk Guide**

- e. Packing Slip. Regardless of which method of shipping is utilized (USPS or DTS), the vendor must include a packing slip inside each OCONUS shipment with the following information:
- 1) Merchant's name, address, and telephone number.
 - 2) Date of order.
 - 3) Requisition number/order number.
 - 4) Date of shipment.
 - 5) Required delivery date.
 - 6) Itemized list of supplies furnished, including quantities.
 - 7) Cardholder's name, code, and telephone number.
 - 8) MARK FOR (M/F) address, including UIC, FPO address (USPS shipment) or SHIP TO address (DTS shipment) of the activity for which the material is being procured.

DON Purchase Card Program Appendices Desk Guide

1. **DON eBusiness Purchase Card CD-Based Training**

These Government Commercial Purchase Card Certification courses are the primary training resource for the on-going support of this program. These courses are role specific by system. For example, there is a course for APCs who use CitiDirect and a different course for APC who use WinSALTS. Successful completion of this training is one of the requirements for a person to participate in the Purchase Card Program.

Distribution Method: Initial distribution from EBUSOPSOFF to all program participants. Additional copies can be ordered through EBUSOPSOFF. Courses can also be downloaded from Don eBusiness website – see paragraph #2, below.

Status: Required DON Training. Over 30,000 copies have been distributed.

Contact: EBUSOPSOFF, DONeBusTraining@navy.mil, FAX (717) 605-9362

Adequacy: This training's strength is high availability and in depth coverage of DoN Purchase Card policy and procedure. These courses are mandatory for all program participants.

2. **DON eBusiness Purchase Card On-Line Training**

These Government Commercial Purchase Card Certification courses are the primary training resource for the on-going support of this program. These courses are role specific by system. For example, there is a course for APCs who use CitiDirect and a different course for APC who use WinSALTS. Successful completion of this training is one of the requirements for a person to participate in the Purchase Card Program.

These on-line courses include the same content as the CD-ROM base training discussed in paragraph 1 above.

Distribution Method: Internet: <http://www.don-ebusiness.navsup.navy.mil> and access the Purchase Card section of the web site. The website's home page contains a "Quick Link" to these courses called "Purchase Card Training". These courses MUST be downloaded and run from your local "C:\\" drive; these are not web interactive courses.

Status: Required DON Training. Currently available for download.

Contact: EBUSOPSOFF, DONeBusTraining@navy.mil, FAX (717) 605-9362

Adequacy: This training's strength is high availability and in depth coverage of DoN Purchase Card policy and procedure. These courses are mandatory for all program participants.

3. The Defense Acquisition University (DAU)

The DAU currently supports the Purchase Card Program with two training offerings – the on-line DoD Government Purchase Card Tutorial and the on-line Simplified Acquisitions Procedure, CON 237

a. The DoD Government Commercial Purchase Card Tutorial

The tutorial is a self-paced course is comprised of ten lessons that present the mandatory requirements and other guidelines to consider and apply, as appropriate when utilizing the Government Commercial Purchase Card.

Distribution Method: Internet On-Line and Interactive through the Defense Acquisition University website as listed below.

Status: DoD mandated for all DoD Government Commercial Purchase Card Program participants.

Contact: <http://clc.dau.mil/>

Adequacy: This tutorial includes a comprehensive coverage of Government Commercial Purchase Card Policy.

b. Simplified Acquisition Procedures (SAP) course - CON 237

This course is intended to support the training of the DoD acquisition workforce on the use of simplified acquisition procedures utilizing Federal Acquisition Regulation (FAR) parts 12 and 13. This course combines interactive computer-based training with performance support resource access, which is provided via the internet.

Distribution Method: Internet On-Line and Interactive through the Defense Acquisition University website as listed below.

Status: DON Required Training for cardholders delegated authority to use the purchase card via Standard Form, SF 1402.

Contact: <http://www.dau.mil/>

Adequacy: Fulfills requirement for mandated SAP training.

4. CitiDirect Interactive Tutorial

This tutorial is available on the CitiDirect website after the user successfully logs in. The tutorial uses state of the art software techniques to present its topics. It is designed to meet the needs of first-time and seasoned CitiDirect users. For first-time users, the CitiDirect Interactive Tutorial walks through, step by step, each segment of the CitiDirect system.

Seasoned CitiDirect users can access the CitiDirect Interactive Tutorial while in an active CitiDirect session. Simply click on the CitiDirect Interactive Tutorial option within Assistance to utilize the tutorial as a "quick help" resource.

Distribution Method: Internet

Status: Supplemental Training. Currently available to logged in users.

Contact: <http://www.cards.citidirect.com>, (800) 790-7206, select option #2

Adequacy: The CitiDirect tutorial is a good training tool for all levels of DON Government Commercial Purchase Card Program participants as an introduction to the CitiDirect-PC interface. Citibank future plans are to expand the tutorial with more role specific lessons – i.e. cardholders and approving official.

5. WinSALTS Navy Purchase Card Guide

This guide is a self-paced learning tool, which guides the user through the steps of viewing, certifying and submitting e-statements for payment using the WinSALTS software. This guide is a Microsoft Word document, which is downloadable from the SALTS web site at <http://www.salts.navy.mil> and available through SALTS.

Distribution Method: Internet: <http://www.salts.navy.mil> and through SALTS.

Status: Supplemental Training. Currently downloadable

6. SALTS Training Classes, Lecture/Demo Format:

The SALTS Central Operations team at NAVICP in Philadelphia coordinates and conducts monthly lecture/demo training sessions on the use of the WinSALTS software package. This training is based on the content of the six (6) volume set, User Manual for WinSALTS. Classes are ½ day in length.

These classes are conducted at the three SALTS sites - Norfolk, San Diego, and Pearl Harbor – and availability is announced via ALL SALTS messages. Classes are also available as on-site training and as pre-comm training. Contact SALTS Central for availability and scheduling.

Distribution Method: Scheduled lecture/demo class at SALTS sites.

Status: Supplemental Training. Currently available

Contact: SALTS Central, help@salts.icpphil.navy.mil 215.697.1112
SALTS Norfolk, norfolk@salts.navy.mil 757.836.3091
SALTS San Diego, sandiego@salts.navy.mil 619.532.4036
SALTS Pearl Harbor, pearl@salts.navy.mil 808.473.7526

Adequacy: These classes are taught by the SALTS experts and provide excellent hands-on training. The classes are however more comprehensive than required for Purchase Card usage.

7. SALTS Users Manuals – Volumes 1 – 6:

There is a six (6) volume set of WinSALTS User Manuals available via the internet or through SALTS. These manuals are the basis of the ½ day lecture/demo class offered by the SALTS Operation team. (See above for class details.)

Distribution Methods: SALTS and Internet: <http://www.salts.navy.mil>.

Status: Supplemental Training. Currently available

Contact: SALTS Central, help@salts.icpphil.navy.mil 215.697.1112
SALTS Norfolk, norfolk@salts.navy.mil 757.836.3091
SALTS San Diego, sandiego@salts.navy.mil 619.532.4036
SALTS Pearl Harbor, pearl@salts.navy.mil 808.473.7526

Adequacy: These manuals cover the entire topic required for a Purchase Card Authoring Official (AO) to use WinSALTS to certify invoices. They do however require the AO to self-teach by reading the manuals.

8. Naval Supply Corps Schools – Athens, GA:

The Naval Supply Corps School in Athens, GA, provides DON Government Commercial Purchase Card Training support in two formats – it offers free-of-charge, regularly scheduled courses over the Video TeleTraining (VTT) network and it has integrated Purchase Card topics into the Supply Officer Department Head Course (SODHC).

a. Video Teletraining (VTT) Courses

There are six Video TeleTraining (VTT) courses offered in support of the Purchase Card Program:

**PC PROGRAM OVERVIEW FOR THE APC
(CIN 7569/A-500-0074)**

Duration: 2 hours

This course provides a new Agency Program Coordinator (APC) with a comprehensive overview of the Purchase Card Program and the responsibilities of an APC. The course includes procedural information needed to establish, run, manage and maintain a Purchase Card Program. It also covers the major policies and issues that guide the oversight of the program. The target audience for this class is newly appointed APCs. The course is suitable for an APC working in either a CitiDirect or WinSALTS environment.

**CITIDIRECT AD HOC REPORTING FOR THE APC
(CIN 755Y/A-500-0069)**

Duration: 2 hours

This course provides the Agency Program Coordinator (APC) with training on the use of the CitiDirect Ad Hoc Reporting tool. The course provides several examples of custom Ad Hoc reports that are used by APCs to manage and monitor their PC programs. The course uses sequential screen captures to demonstrate the step-by-step process of designing a report, running it, saving the format and exporting the data for further analysis. Department of the Navy Purchase Card Program APCs are the primary target audience for this course and it is normally scheduled to follow *PC Program Overview for the APC*.

**CITIDIRECT INVOICE CERTIFICATION & STANDARD REPORTS FOR THE AO
(CIN 755Z/A-500-0070)**

Duration: 2 hours

This course is designed to provide the Purchase Card (PC) Approving Official (AO) with the necessary knowledge and skills to use the CitiDirect system to certify their cardholders' monthly statements. The course content includes an introduction to the CitiDirect system with the primary emphasis on the statement certification process. In addition, the course provides an introduction to the various standard reports available to the AO for management of program. The course's target audience is the DON Purchase Card AO.

**DON Purchase Card Program
Appendices Desk Guide**

**PC POLICY AND PROCEDURE FOR THE CITIDIRECT CH
(CIN 7567/A-500-0073)**

Duration: 2 hours

This course is designed for Purchase Card (PC) Cardholder (CH) operating in a CitiDirect environment. It provides the necessary knowledge and skills to use the purchase card to make mission critical acquisitions in a timely and effective manner. The course emphasizes PC policy to ensure the CH performs within the guideline of the program. The course covers the complete procedure for making an acquisition from funding and screening sources to receipt, documentation and statement reconciliation. This course targets new Department of the Navy PC Cardholders.

Distribution Method: These courses are delivered by a live instructor using the two-way, interactive, video teletraining network.

Status: Supplemental Training. Currently available and scheduled monthly; these are supplemental courses.

Contact: Registration is managed by the local VTT site managers. Course schedules and contact information are available through the VTT website at <http://www.nscs.cnet.navy.mil/>

Adequacy: Each VTT course is two hours long and include CitiDirect and WinSALTS demos.

b. The Supply Officer Department Head Course (SODHC)

This course includes a overview presentation on the Purchase Card Program . The content includes policy information and practical hands-on experience with both WinSALTS and CitiDirect.

Distribution Method: Content included in the standard NSCS curriculum.

Status: Supplemental Training. Currently available

Contact: <http://www.nscs.com/training2.asp?ID=A-8B-0017> This website includes schedules and sample presentations.

Adequacy: Hands on is covered in optional labs.
